Freshman Year: In the Fall of 2002 we began our high school years, nervous but excited for the new oppurtunities ahead. We sold Jamaican Coffee and had a Yankee Candle fundraiser.

Sophmore Year: Our advisory board grew in size along with our ideas. We recieved our class rings that we would keep as a memory forever. We set a record of the most students to pass CAPT for our class!

Junior Year: We became upperclassmen, anxious to move into the new high school. We were very successful in selling North Haven clothing. We put on a concert with John Mastroianni as the opening act and Dave Sauerbrunn along with his band Emerald City! We worked hard to sell tickets and refreshments. Guys from our class competed for the title of Mr. North Haven. Senior Year: We became the first graduating class out of the new high school and served as role models to our fellow peers. Our girls Nikh Bowl team ruled over Amity the night of our home game. The scoreboard lit up 30-21 in the final seconds. We sold clothing once again and produced a senior variety show, our class awed the crowd with talented and crazy acts. We looked eagerly towards our prom and senior class picnic. Graduation was not only an ending but served as a new beginning and a chance to grow. We will always cherish the times spent together and hope for great success in the future.

A Message from the Principal...

To the Class of 2006:

Watch your thoughts, for they become words.
Choose your words for they become actions.
Understand your actions for they become habits.
Study your habits, for they will become your character.

Develop your character for it becomes your destiny.

You are the first class to graduate from the new North Haven High School ...a facility that will impact the education of NHHS students for years to come. Moreover, I hope you take from NHHS a sound education, the ability to work with others, and a respect and sensitivity for all persons.

Your contributions to North Haven High School are many and our school is a better place because of the Class of 2006. I wish you good health, good times, and success in all you choose. Be happy in all you do!

Dedicated to serving others,....

dedicated to his family,...

dedicated to serving his country,...

...and dedicated to North Haven High School.

Thank you for all of your years put towards guiding young beings and preparing them for the future. You are truly an inspiration and a perfect example of someone who deserves every bit of appreciation in this world. Not a day has gone by where you have not put forth all your effort and energy to help better our school. We acknowledge you, and cannot thank you enough.

Therefore we dedicate this yearbook to you, Mr. Louis Preziosi, a man who has dedicated himself to his work and students for 35 years.

Dear Classmates and Friends,

Here is yet another yearbook that took endless amounts of hours, countless efforts, and hard work. This year has been an exciting one to say the least and now not a moment can be left unaccounted for through the pages of this book.

Dedication has been the key to this entire process, along with some very important people that we owe all our thanks.

First, we would like to thank Storytellers and Jostens for making this yearbook what it is. A special thanks to Steve from Storytellers for the beautiful photos and for working with us on such short notice to meet our deadlines. Thank you Joan Genest for our great signature page. You're the best!

We would personally like to thank all the individuals who helped identify photos and type profiles, especially Magee L. and Kevin F. Each task was important whether it was a caption, or an entire page. A special thanks to Sarah M., Riley J., Mike D., Ryan G., Laura M., and Lauren M., who gave up free blocks to help us out with endless amounts of work.

A huge thanks must be given to Marge Dolan, our Athletic Director. She dedicated so much time and energy into identifying every athlete for the sports pages, and that's a lot of athletes! We are so grateful for your help, and the hours you sacrificed for the year-book.

With all the helping hands in this process, there is one person that we owe all of this creation to. Senora Leach has been our guidance down this long road towards our final product. She has given so much of her time to help make this book look amazing and has never missed a single step of the way. We owe every cropped photo, every blurb, and every ad to her (and let's not forget the Dunkin' Donuts coffee). After rushing to meet deadlines and finish layouts it is so nice to see that it all looks fantastic.

We hope you enjoy this yearbook and we appreciate all the help put forth to make it. We wish the best of luck to the class of 2006 as they graduate this year. May you always keep this book as a memory of your past.

Hannah Brencher & Justin Greenlee

I WISH YOU MUCH HAPPINESS AND SUCCESS IN THE FUTURE. GOOD LUCK IN COLLEGE, I KNOW THAT YOU WILL BE A GREAT TEACHER, I AM PROUD THAT YOU ARE MY GRAND-DAUGHTER. I KNOW THAT GRANDPA WOULD WISH YOU THE SAME.

LOVE, GRANDMA

Lauren, Megan, and Alex -

First of all-Please don't get mad about the picture, it's the only one I have with all three of

Second of all- I want to thank you three for everything you have ever done, it's too much to list but I am so grateful.

I hope you remember that picture. The dead bodies in the water, I mean sharks, nevermind they were dolphins. That was a great vacation when Alex hybernated, Lauren went to the beach, Megan made new friends, and I almost got deported.

Whether we are in Cape May, North Conway, the diner, Alex's back porch, or celebrating Festivas with Hannah and Riley- we have made wonderful memories over the years.

It's been said many times before but you three are the bestest of best friends, and I love you so much!

Sincerely.

Nicole

Dear Alex, Lauren and Nicole,

My three "daughters" are all grown up! Never forget our Sunday dinners, our New Hampshire vacations, the screened in porch, Lorraine, Max, oh yeah Bud, your older "brothers" and sometimes "fathers" Ray, Jon M., Dave, Jon B., Doug, and Chris P. Most of all always remember how proud I am of the three of you!

P. S. Megan, field hockey won't be the same without you! Riley, somehow I know you're going to be doing great things! Alison, you will always have a special place in my heart! And Kate, did Muffin teach you how to kick like that?

To Our Beautiful Daughter

A young woman whose smile is contagious, whose laugh is genuine, whose mere appearance lights up a room, whose family matters, whose strengths are many, who is faithful to her beliefs, who has the capability to exceed beyond imagination...and we are blessed to call her our daughter.

Marino, From th

From the day you were born your Father and I knew that, someday, you would make us the proudest parents ever. Dad couldn't wait to sign you up for soccer, knowing in his heart his son would follow in his footsteps. He knew that with his encouragement, guidance and support you would find the confidence to excel. We both were certain that you would always be the best you could be, both academically and athletically. We so enjoy watching you play and we anticipate, through your continued good work, watching you achieve all that you can in your life, both on the soccer field and off. We love you with all our hearts ~ Thank you for the pride we feel having you for our son.
