 I, Nancy Valentino, leave my bunny status and collection to Laura Merrimen, in hopes that she'll uphold all the honor that goes with it.  
 I, Stefanie Vestal, leave all my Field Hockey, Basketball, and Track moments to the upcoming teams and captains, and all of my experiences in NHHS that have given me great memories, to Melissa, Cynthia, and all the fun I had in PA, to my brother T.J.  
 We, Stefania Viscusi, and Erica Scilia, leave our locker number 141, and all the wonderful four years we made it through together to our sisters Linda Scilia, and Michelina Viscusi.  
 I, Scott Vollono, leave my Dodge truck to anyone who wants it.

## REMEMBER.....

### 1997-1998:

Despite all the confusion and wrong directions, we held our heads high as we entered the halls of North Haven High School; the first class of the new millennium. The thought of sitting through 82-minute classes was almost unbearable, but we soon adjusted. It was the year of our first Homecoming Dance, and everyone could feel the excitement while awaiting the night. It seemed that we had just finished mid-year exams when finals came around. All of a sudden, we became sophomores.

### 1998-1999:

As sophomores, we found ourselves stepping into new roles at school. While some of us were contributors to varsity sports, others found their niches in music, drama and various clubs. This was a year to remember with Mr. Sagnella leading our Football team to the top. That spring brought many events such as: purchasing our class rings and taking the CAPT tests. Just as we settled into being sophomores, we became juniors and the fun was just beginning.

### 1999-2000:

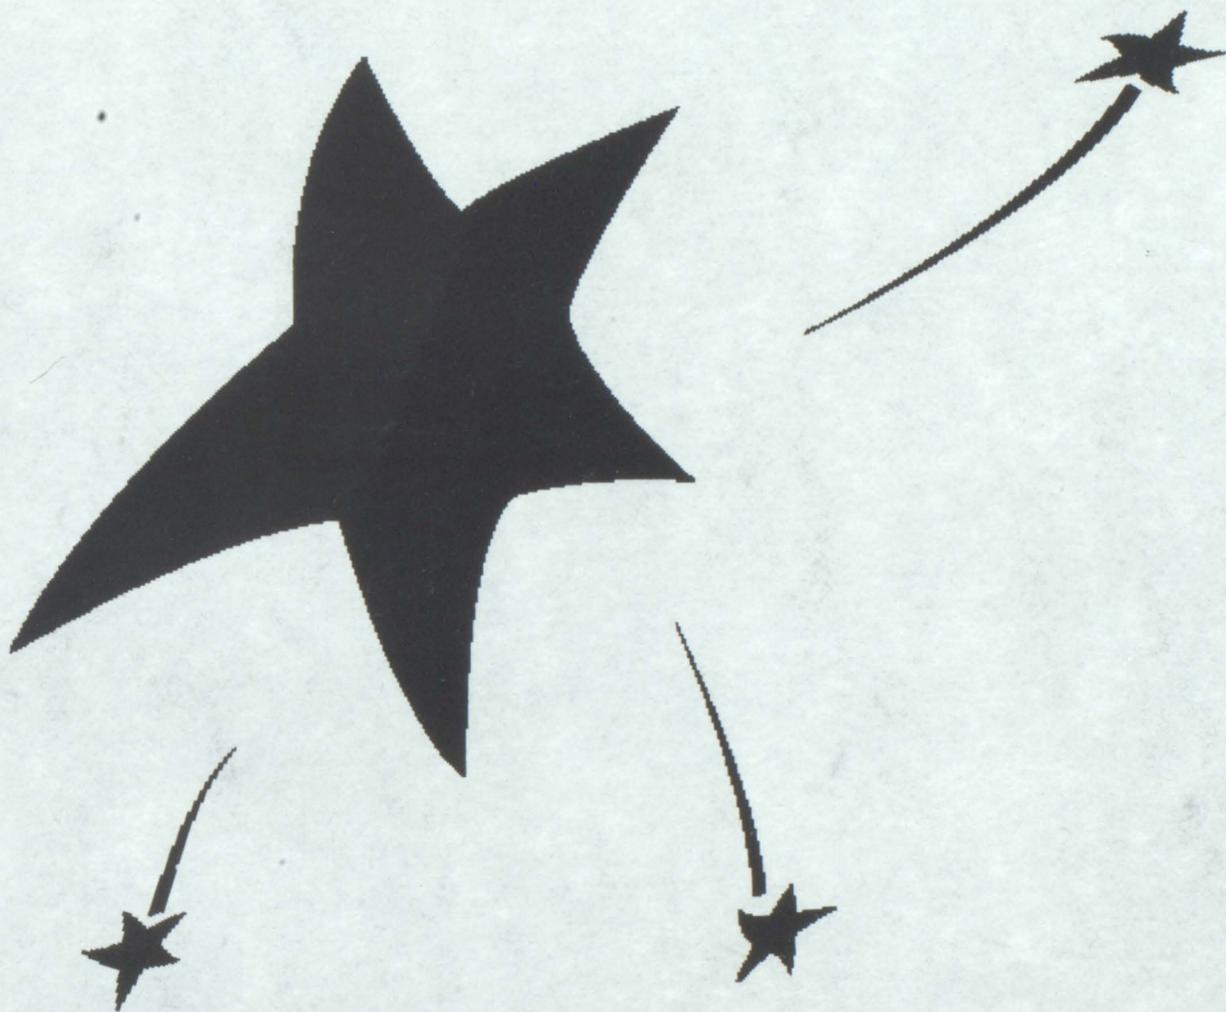

Halfway through our high school careers, we were considered "upper-classmen." Academically, this was our toughest year. Although everyone reminded us of the pressures ahead, we fought our way through, pushing for good grades and high class ranks. We went through the year with little notepads; closely watching everything the seniors did so we were sure to be ready. We spent New Year's Eve with our friends, watching and waiting as Y2K came and went. We participated in the "Names Can Really Hurts Us" program as a whole class. Spring brought junior awards, the National Honor Society Induction, chocolate bunnies, and hanging out down by the river, throwing water balloons at our junior picnic. Our cheerleaders marched to Myrtle Beach, prepared to win. As June 15th rolled around, we were sad to say good-bye to all our senior friends, but anxious to "rule the school." We walked away that year a little older, but prepared for the year ahead.

### 2000-2001:

The summer was filled with college visits and senior portraits. This was it...our senior year! Gathering together as a class, we attempted an "NH" on the practice football field, which was our first official senior activity. The endless amounts of college applications was just the beginning of senior stress but our spirit, as a class, kept us motivated. Nikh Victory Bowl proved to be a tremendous victory as we marched into Amity and ran away with a record-breaking 56-40 win! As the holidays approached, we were busy selling chocolate Santas. The senior to senior breakfast was a big success. We took pictures with Santa and our close friends, as we rang in the New Year. We never realized that the end was approaching fast. The whole class began working on our play, *Brigadoon*. It was the year of Nr. North Haven, and many of us participated. As we counted the days to our graduation, it was hard to ignore the excitement of the senior prom and our Holiday Hill picnic.

Finally, June has arrived and we will no longer walk the halls of North Haven High School. Our laughter and memories echo through the hallways, sweet memories of four years of fame. We have made it this far, and although we must part, we have shared some of the best years of our lives together. We will put on our caps and gowns, and look back on all our memories at NHHS. Walking up to the podium for our diplomas, we will move forward one step into the future and reach for the stars.

# special thanks

## *Mr. Michael Camporale*

Our first "Special Thanks" goes out to Mr. Michael Camporale, better known to us as Mr. "Campo".

Mr. Campo is the coordinator of North Haven High School's music department and producer of "Music with Mike". Mr. Campo provided the holiday music for our Senior to Senior Breakfast, helping us make it a huge success for our Senior guests.

Most of all we thank Mr. Campo for directing our Senior Class Play- "Brigadoon". Through the long hours of rehearsals and building the sets, Mr. Campo was there, unselfishly giving his time so that we would have a successful production. Thank you Mr. Campo for all your dedication and hard work!

## *Ms. June Barzilauskas & Ms. Elizabeth O'Keefe*

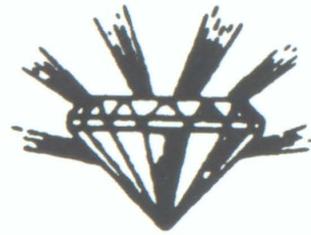

After a long list of class advisors, Ms. June Barzilauskas and Ms. Elizabeth O'Keefe have made the final cut!

The responsibilities of Senior Class advisors are endless; our class photo, the Senior to Senior Breakfast, collecting class dues and sponsoring fund raisers, producing the class play, planning and organizing the Prom, the Senior Picnic, Awards Night and of course seeing that we all have caps and gowns for graduation.

Through it all, Ms. Barzilauskas and Ms. O'Keefe have managed to maintain their sanity and at the same time encourage and guide us through our final year at North Haven High School. We thank you for making our Senior year the best ever!

## FRIENDS FOREVER

Well girlies, we have come such a long way from dressing up for the pizza man to getting dressed up for our Senior prom. We have shared so many memories with each other and they will stay with me forever. You girls are the definition of "True Friends" and I wanted to thank you for always standing by my side through everything.

Love,  
Jodi

Girlz-

I can't believe it's finally over! I just want to thank you guys for always being there for me. We've laughed together and we've cried together, but I will cherish all the HS memories within my heart forever. We will always be the best of Friends, and be successful in whatever we put our minds to. I think the world is ready for us now! Love You All,

Kelly XOXOXO

Hey Babes:

42NA, J,D and Puppet Call my nicknames for everyone. We had a lot of fun times together!! From freshman year to our senior year the laughs, tears, dumb jokes (42), and all the rumors we overcame. When I first came here you all befriended me with open arms (Jodi the first football game) Thanx, I love you, girls! All of our memories will stay in my heart and mind, forever! No matter how many fights we got into (including water, watermelon, etc.) we got through them all with either a hug or an apology.

"Me love U long time"

Love always  
L.B.

My Angels-

I just wanted to give a special thanks to my bestest friends. 2001 was so far away, and now it's right around the corner. As I walk across the stage and receive my diploma, I will always remember my pointless stories and how you guys laughed at me, not with me. I wish you all the best of luck!

With Love

Always and Forever,  
Fortuna

P.S. Kelly,

I especially have to thank you for being there for me, through the hard times. You're the only one that actually knew what I was going through. But that's because your psychic. LOL. Thanx XOXOXO

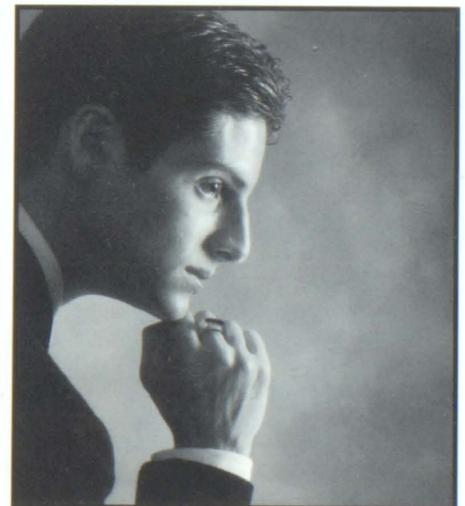

**Michael,**

You are our shining star! We've watched you grow from a beautiful baby to a handsome young man. We are so proud of you, your hard work and your many accomplishments. You are an inspiration and a blessing. Follow your dreams and may you find happiness in all that you do.

Every morning in Africa, a gazelle wakes up.  
It knows it must run faster than the fastest  
lion or it will be killed...every morning a lion  
wakes up. It knows it must outrun the slowest

matter whether you are a lion or a

you'd better be running.
