## FOREWORD

As modern civilization moves forward, as man continues to look for new frontiers, the first great frontier of our country is almost forgotten. The Indian, once sole inhabitant of the Western Hemisphere, is now only history. It is our hope, however, that by presenting part of the Indian culture and civilization their history will not be lost.

## DEDICATION

CLARKE ROCKWELL

MARVYN JAFFE

We, the Class of 1963, dedicate the SACHEM to Mr. Clarke Rockwell and Mr. Marvyn Jaffe, the assistant principals at North Haven High School. With words of advice and encouragement, they have played a part in our experiences that should not be unnoticed. We must recognize the efforts of these two men. We must step back and look over any personal grievances; we must step back and see them as educators who have dedicated their lives to education. With similar sincerity, we dedicate this book, the 1963 SACHEM, to them.

## IN APPRECIATION

JOYCE FONTAINE

Towards the aim of publishing the 1963 SACHEM, Miss Fontaine and Mr. Perrone have displayed unusual and continuous interest and patience. Without such an influence, the yearbook would have suffered greatly. It would be impossible to calculate the amount of time that has been spent to produce this yearbook, but certainly, that time would have been much greater if Miss Fontaine and Mr. Perrone had not been here. Thus, it is in appreciation of everything they have given us that the SACHEM offers its warmest thanks.

“They crossed the gray river thousands abreast,  
They rode in infinite times to the west,  
Tide upon tide of strange fury and foam  
Spirits and wraiths the blue was their home,  
The sky was their goal where the star-flags were furled  
And on past those far golden splendors they whirled.”

## SUPERINTENDENT'S MESSAGE

DR. CHARLES T. ST. CLAIR  
Superintendent of Schools

Congratulations to the Class of 1963!

You have achieved a goal towards which you have been working since you entered the public school system as kindergarteners thirteen years ago. Graduation must have seemed years in the future then, but now it is upon you, and you are about to leave North Haven High School.

This is a time when you look back upon your school life from a new point of view. No doubt there have been ups and downs, times of elation at success and progress, times of sadness at having done less than one's best. But the total experience has been positive, and you will remember the good things over the passing years.

But Commencement is a time for looking ahead to the beginning of a new phase of your life, one which offers greater freedom and imposes great responsibility. You have much to offer to our society, and a world filled with tension and conflict needs your best efforts. We are confident that your accomplishments will reflect honor upon your school.

### BOARD OF EDUCATION

*Seated left to right around table:* Thomas Buchan, vice-chairman; Carmen Romano, Mario Carangelo, Christian Englehardt, Edgar Boell, Edna Brockett, August Puester, and George Naples, secretary. *Insert:* Lawrence Grew, chairman.

## PRINCIPAL'S MESSAGE

Congratulations to the Class of 1963. Graduation marks a significant milestone for each of you. With commencement comes the end of many pleasant associations that have been built during your years at North Haven High School. At the same time, commencement should be the beginning of a full and productive life reflecting the skills and attitudes which you developed while in school.

The true value of formal education is measured in terms of the extent to which it creates a desire for continued learning and the extent to which it gives to its students the skills necessary to pursue this quest for knowledge. The unparalleled growth in all areas of knowledge makes it imperative that education be a life-long commitment if we are to meet the challenges which confront us. We are confident that you have developed this desire to continue your commitment to education.

Your class has made many noteworthy contributions to the academic and extra-curricular programs of North Haven High School. Students for many years to come will benefit by the positive influences of this class on the traditions of the school.

We will follow your progress with a great deal of interest. We are sure that you will continue to set for yourselves in your future endeavors, the same high standards you proved capable of achieving while at North Haven High School. The faculty joins me in wishing you success in the future.

## ENGLISH

In pursuing its goal of teaching students to read and write more effectively, the English Department has found itself rebuilding and experimenting in 1962-63. In connection with a system-wide curriculum revision, the members of the department have revised virtually every phase of the high school course of study. They have diversified the books available for classroom study; now, though there are certain books which are required reading for all students, teachers may choose from a wide range of supplementary readings those books which best suit the ability and interests of their classes. There has been considerable experimentation by individual teachers, by English teachers working in teams with social studies teachers, and by English teachers working in teams with other English teachers.

## FOREIGN LANGUAGES

The Language Department which is always exuberant and enthusiastic is inordinately so this year due to the recent installation of a Language Laboratory equipped with 30 booths. Each class meets in the laboratory one period a week to use the tapes which accompany the textbooks or to do innumerable things which help to develop one's linguistic skills.

The curriculum offers extensive reading of Molière, Caesar, and Benito Pérezgaldos, in addition to the usual study of grammar, vocabulary, and diction.

## MATHEMATICS

The Mathematics Department now offers a completely modern mathematics program in all its elective courses. The materials of the School Mathematics Study Group, which represents the most extensive and widely accepted national effort to modernize the high school mathematics curriculum, have been incorporated in their entirety into our present course of study.

Students are assigned to mathematics classes on the basis of their needs, interests, and ability. These classes range from terminal courses — for students who need a minimum of mathematics or find mathematics difficult to learn to advanced mathematics such as matrix algebra and analytic geometry — for students with special interest and capability in mathematics.

## SOCIAL STUDIES

In attempting to develop the student in the understanding of history, past, present and future, the social studies department offers courses in World History, United States History and Problems of Democracy. In the planning stages is an Advanced Placement Program and a seminar program dealing with every major field in the realm of history.

Extra-curricular activities are used to promote further the department's objectives. Students participate in such clubs as the United Nations club, the Student Forum and the Debate club.

## SCIENCE

The High School Science Department worked long and hard last year in making suggestions for improving the science facilities at the school. The fruits of their labor have come to pass with the renovation of rooms 37, 38, and 42. These science classrooms are now equipped with lab stations which include water, gas and electrical outlets. These stations will enable the students to carry on more laboratory investigations, and also provide broader experiences in the science course they are studying.

In addition, to make the rest of these new facilities, the class scheduling of Biology II, Chemistry and Physics now includes a weekly one-hour laboratory class.

## BUSINESS

The major objectives of the Business Education program is twofold. First, it attempts to train students in vocational office skills to equip them either for immediate employment or continued work on the college level in related areas leading to secretarial, managerial, accounting, teaching, and other related professions. Secondly, considerable attempts have been made in the area of the college-bound student by providing him with such courses that will provide basic tools for studying and learning while at college.

Over the years the department has added greatly to its totally elective program so as to provide a suitable selection of subjects by all levels of students.

## INDUSTRIAL ARTS

Industrial Arts is that part of a total education program which is concerned with the development of a practical understanding and appreciation of today's industrial and technical society.

Opportunities for learning are provided through experiences in planning, using tools and materials, performing processes in the production of useful articles, servicing industrial products, and experimenting in activities related to the science of industrial and technical problems of the world today.

The areas of engineering drawing, graphic arts, general metals, general woods, and electronics each make their contributions toward these goals through study and actual application in our shop laboratories.

MR. CURTIS CLAWSON

MR. EDWARD POLANSKI

## ART

The aims of the Art Department are threefold. One, to provide adequate preparation for those who wish to go on to art school, two, to acquaint all with satisfying pursuits for leisure time, and three, to instill in students an appreciation for the world's art heritage, both past and present.

Art I introduces the student briefly to the many areas included in commercial art and fine art. Art II takes a few of these areas and delves more deeply into them, giving the students more opportunity for pursuit of chosen areas. Art III emphasizes a free choice of projects under the direction of the teacher and also an opportunity to prepare a portfolio for art school application.

## MUSIC

MR. ALEX WINSCO  
Chairman

MR. DONALD PARSONS

This year has seen the introduction of *Music Arts I* course as an elective subject. The course deals with history and appreciation of music as well as rudiments of theory and music skills.

A wide variety of performing groups features the North Haven High School musical scene. In addition to a 100-piece Concert Band, the instrumental program includes a German Band, a Dance Band, and a Marching Band which performs at football games and parades. The choral program includes an 80-voice Chorus, a smaller Concert Choir, and a newly-formed Boys' Glee Club.

Musical groups of the school participate in a Christmas program, Elementary School concerts, a Spring Music Festival, and other concerts. Qualified students participate and compete in state-wide musical events. The department lends support to dramatic productions.

"And — if he doesn't take HIS band out of MY room . . ."

## HOME ECONOMICS

Courses in the Home Economics Department are offered on an elective basis to all girls in grades ten through twelve. Classes have been recently organized to provide opportunity to those girls whose schedules have made previous course selections in Home Economics impossible.

The department includes instruction in the areas of Child Development, Consumer Education, Foods and Nutrition, Family Relations, Clothing and Textiles, Home Planning and Care of the Sick.

The curriculum enables girls to pursue their present interests and develop abilities as they prepare for future careers in nursing, college, business and home-making.

## PHYSICAL EDUCATION

Contrary to an all-too-common misconception, physical education is not designed as a recess or free play period; rather it is education through physical activity directed toward definite desirable outcomes.

Our program is gradually achieving one of its long sought after objectives, that of progression of activities. This year, for the first time, all seniors are scheduled homogeneously on Friday, thereby, permitting them to receive instruction in activities suited to their particular age and grade levels. These activities would include those with carry-over value, such as archery, tennis, and badminton.

This year the program will reap the benefits of a new facility which has been made available for class use. The old gym stage has been converted into a teaching station for apparatus and gymnastic activities as well as corrective exercise work.

## GUIDANCE

Again this year, North Haven High School students and especially seniors, made extensive use of the guidance services available to them. Heading the list of services provided by the school counselors were personal, educational and vocational counseling.

The counselors also worked closely with administrators, teachers, parents and psychological service personnel to meet the individual needs of all students. Other guidance services rendered included the coordination of various college, career and military service conferences; collaboration with the Connecticut State Employment Service and local employers in providing occupational and vocational information and guidance, as well as part- and full-time job placement. Assisting students in selecting colleges and other post-high school training, administering local and national testing programs, and providing guidance in course selection were other important aspects of the Guidance program.

## LIBRARY

Since the function of the library is to serve, it is in constant use, from 7:45 A.M. to 4:00 P.M. With our collection of books and periodicals, the attempt is made to supply the supplementary reference needs of the school. The book collection, numbering about eight thousand volumes, contains a number of sets of reference books, numerous individual reference books, many books in the various categories, from fiction to non-fiction, and periodical subscriptions, numbering about seventy.

# OF MAROON AND WHITE

It is 1963 — the end of a year we had all been working toward, anticipating and subconsciously, perhaps fearing, for now we are no longer students of North Haven High School, but students of the world, bound for college, business and our endeavored futures. With our departure we will look back on our high school years with kind thanks and many fond memories.

Junior Class Party

We will remember the year 1960-1961, when, as sophomores, advised by Mrs. Lichtenstein and Mr. Iacobellis we began our senior high school years. For many of us, being at the high school was not a new thing, for we had been here since the seventh grade. But, for a number of us it was a new thing because North Haven had, for the first time, accepted tuition students from North Branford. As soon as we became organized and had realized our new position and responsibilities as high school students, we set forth and started our plans for the year.

Our sophomore year elections resulted in the election of Bill Engster, President; Barbara Olson, Vice-President; Mary Mancini, Secretary and Barbara Pfnausch, Treasurer. Now, with election out of the way, we made our plans for Sophomore Week, which few of us will ever forget. We will remember the day we all dressed as farmers and looked amazingly at home in our costumes. Aside from the fun provided by our week of nonsense, there was a practical side also.

Our treasury was expanded considerably by the money earned from goodies baked by some of our more domestic, female classmates. Bringing to a close "our" week was the successful and enjoyable class dance, "Pony Time."

At year's end we had our first taste of the privilege which was to be ours the next year: the class rings. Fat fingers, short fingers, long and thin fingers alike were measured and we left school for the summer expecting our rings to be waiting for us when we returned.

They weren't; but we didn't have too long to wait. Panikoff comes through again! Now we were really and officially juniors. And, now that we *were* juniors we needed officers and with our advisors', Mrs. Roberts and Mr. Baillargeon, help we elected Ken Gould as President; Barbara Olson, Vice-President; Mary Mancini, secretary and Judy Brukle, Treasurer.

With the spring came our first prom. We called it "Wonderland by Night" and to most of us, it was. Our classmates Bruce Anton and Kathy Newman became royalty, if only for an evening.

As the class of 1962 graduated, many members of our class participated in the ceremony as Honor Guard and usherettes. Those of us fortunate enough to witness this graduation watched in awe — and anticipation.

Once again we prepared to leave school for another summer; but — not before we finally stepped out onto that narrow path of cement we had been eyeing for so many years. Next year we would be seniors!

Junior Prom — "Wonderland By Night"

Senior Class Play

Well, we came back; back to our final year, back to Mrs. Roberts and Mr. Samberg, our advisors, and back to our long awaited senior privilege — the courtyard. Back to enjoy our last year with us came Miss Suwartini Karmono of Semarang Jave, Indonesia, our foreign exchange student. Tongue-tied as we were, we just called her Sussy. In no time at all, pint-sized, pigtailed Sussy became Americanized and a few of us, "Indonesianized."

Our senior class officers, John Copeland, President; Larry Davis, Vice-President; Sue McBee, Secretary and Judy Burkle, Treasurer had a big job ahead of them. They had to organize our final year at North Haven and as we look back now, they did a good job of it.

First of our major activities was the traditional senior class play. We chose to put on "You Can't Take It With You", a laugh-filled, fun-packed comedy to which Micky O'Brien, John Hanisch, Gael Gibney and Penny Odell, the leads, did justice. Its two-night stand was not only successful, but hilarious.

And our class did not lack in excellent representatives for the various state-wide competitive activities. Joan Rousseau was not only a winner in Allstate Band competition but was chosen as recipient for the D.A.R. award. Penny Odell, Rae Newcomb and Elena Williams, three of our better female vocalists gained honors in Allstate Chorus. Bill Engster was chosen to represent North Haven at Nutmeg Boys' State and Janet Chapman at Laurel Girls' State.

Early in the year we began to think about graduation. With the fitting of caps and gowns came the choosing of the various committees in charge of graduation proceedings. In charge of the Teachers' Reception were Carole DeLorenzo and Marianne Dill; of the Class Gift, Roberta Barbash and Pat Kelly; of the Class Motto, Kathy King and Sue McBee; Parents' Reception, Jo Tancreti and Bonnie Baker; Awards Night, Linda Lassen and June Comer and of Commencement, Sue Petrillo and Joan Leibiger.

Our Senior Prom could not have more wonderful. Not only were the decorations lovely, but we all sensed that this was our last, big social event at North Haven High. When June and the yearbooks rolled around we realized, finally, the hard work and great efforts of our *Sachem* co-editors. Marcia Raskin and Rick Coward both deserve our greatest thanks and appreciation.

Now we personally know the thrills, the excitement, and the memories provoked by graduation. Our working, our waiting and our anticipating have been well rewarded. We are no longer students of North Haven High School, but we can never repay it nor will we ever forget the knowledge, the friendship, and the fine memories we have gained there. We the class of 1963, leave North Haven High with new expectations, old memories, and undying thanks.

Graduation!

# UNDERCLASSMEN

"With bodies like bronze, and terrible eyes  
Came the rank and the file, with catamount cries  
Gibbering, yipping, with hollow skull clacks."

Miss Doba, adviser; Ken Conforto, vice-president; Jerry Carpenter, president; Sally Williams, treasurer; Mary Migliaro, secretary.

## JUNIOR CLASS

The Class of 1964 began the year's activities with their organizational meeting in the fall. The class officers were ably assisted by the Junior advisors — Miss Doba and Mr. Newton as they planned and carried out the year's activities, featuring Teenarama, and a class party in November. The highlight of the year's activities was the Junior Prom which will give the class many pleasant memories for years to come.

## SOPHOMORE CLASS

The main activities of the Sophomore class included an informal dance held in January, 1963, and the traditional class party.

To plan, coordinate, and facilitate this program each sophomore homeroom elected a student representative. This group brought suggestions from their homerooms, collected class dues, and were responsible for informing their class of pertinent information. This past year was used to organize the class for their activities in their last two years.

Nor easy meat and drink,  
But a bitter pinch of pain and fear  
That makes creation think.

# SACHEM

When the SACHEM staff was initially organized early in September, we — the editors especially — really had no idea why we were here, much less what we were going to do. We had learned a little from watching last year's editors struggle, but not enough to produce something resembling a yearbook.

Senior pictures, underclass pictures, write-ups, advertisements, boosters, art work, who's who, layouts, candid — literally hundreds of candid — had to be taken care of and sent to O'Toole's. The editors worked hard enough but always with some deadly apprehension, for the Senior Class is notorious for disliking any and all yearbooks. The day of passing out the Sachems finally came, marked by a rash of absences and the usual howls. Anyway, at least we enjoyed it.

SACHEM EDITORS — Rick Coward, Marcia Raskin.

## THE TORCH

High above in the newly-renovated Torch room, the thirty-man newspaper staff worked to put out a monthly publication worthy of the ten cents charged for the paper. Although the motto "If it fits, print it" was at times most appropriate, the Torch came through with a better-printed and shinier paper than last year's. No longer is the paper printed by the photo offset process; instead, the letter press process is used. Circulation rose from three hundred to over six hundred.

The printing of the Torch costs over one hundred and sixty dollars. One hundred of this is made up through advertisements, the rest by the sale of the paper.

TORCH. *First row, left to right:* S. Lipson, C. DeLorenzo, T. Sullivan, F. Detoro, D. Passarello, S. Lindblom. *Second row:* R. Christoforo, C. Shefield, P. Zammataro, M. Bright, T. Anzel, N. ## THE POTPOURRI

The Potpourri, the magazine for the sensitive, is the school's only medium of publication for creative writing. The two yearly issues are filled with all forms and shapes of poetry, prose, art work, or anything original that can be put on paper.

POTPOURRI EDITORS. Joan Bohan — literary editor,  
Lisa Brandt — art editor.

POTPOURRI STAFF. *First row, left to right:* J. Basile, M. MacKellar, J. Bohan, L. Brandt, L. O'Neill, C. Sheffield. *Second row:* C. DeLorenzo, D. Scott, S. Lindblom, I. Pelzer, N. Shia, P. Passariello.

## SHAKESPEARE CLUB

"Get thee to a nunnery, Wooly Bottom". So went the newly organized Shakespeare Club in its desire to promote an interest in the works of the celebrated bard. Scenes from "Midsummer's Night Dream" and other Shakespearean comedies were presented. Mrs. Carol Hosford was the advisor.

## DRAMA CLUB

The Drama Club widened its scope this year by increasing the number of productions and, thus, increasing the number of opportunities for a student to act on stage or work behind it.

An adaptation of J.D. Salinger's *Catcher in the Rye* was presented by a workshop group in the fall. On February 1 and 2, *The Crucible* by Arthur Miller took place.

Miss Eleanor Maimaron, Mrs. Marvera Murphy, Mrs. Donna Pitts and Mrs. Karen Stamm served as directors.

## CONCERT BAND

The Concert Band, under the direction of Mr. Alex Winsco, received wide acclaim for its performances at the Christmas Concert, the Spring Music Festival and at the Annual Band Concert.

The group also toured the local elementary schools in the fall when they demonstrated the instruments and composition of a band.

ALL-STATE MUSICIANS  
Joan Rousseau, Beth Lincoln.

## ALL-STATE MUSICIANS AND CHORUS

Once again this year, as in the past, students from North Haven High were selected to participate in the All-State Music Festival held on October 24th, at the Bushnell Memorial Hall, Hartford, Connecticut. This year North Haven is especially proud to have eight students — judged on quality and tone — represent our school at All-State: Band, Joan Rousseau and Beth Lincoln; Chorus, Rae Newcomb, Penny Odell, Elena Williams, Charles Engelhardt, Henry Jacobs, and Phyllis Passariello.

# ACTIVITIES

The chiefest action for a man  
of great spirit  
Is never to be out of action.

## STUDENT COUNCIL

As the governing body of North Haven High School, the Student Council correlates the school activities, and provides a forum for student expression. In addition, the Student Council presents such events as the many sock hops, the annual Harvest Hop, and an orientation period for new students.

This year under the supervision of Miss Marie Sanzeri and Mr. John Keough, the Student Council sponsored the second foreign exchange student, Miss Suwartini Karmono, of Java, Indonesia.

This summer the Student Council President Susan Endel and Vice-President Bill Rennie attended the Lakeville Conference on Student Councils. They brought back with them many new ideas, beneficial to the council as well as the entire school. Introduced for the first time this year were a Student Council Newsletter and open Student Council meetings, both created to provide better communication between the council and the student body.

STUDENT COUNCIL OFFICERS: J. Rousseau, secretary; S. Endel, president; W. Rennie, vice-president; *Sitting*: J. King, treasurer.

STUDENT COUNCIL. *First row, left to right*: K. King, J. Rousseau — secretary, J. King — treasurer, S. Endel — president, W. Rennie — vice-president, L. Lassen. *Second row*: J. Guidone, P. ## TOMAHAWK

The TOMAHAWK, the handbook of N.H.S.S., is compiled by a committee of Student Council representatives during the summer vacation. The handbook contains information on school regulations, the constitution of the Student Council, descriptions of extra-curricular activities, a list of the faculty, plus odds and ends, including a map of the school.

## UNITED NATIONS CLUB

The members of the United Nations Club, under the direction of Mr. Frank Miles, study the organization of the U.N. and take part in discussions concerning current world issues.

The most important event of the year was North Haven's participation in the East Coast Model U.N. Conference at Wilmington, Delaware. Led by President Banning Repplier and Vice-President Denise Kahn, the members created vital interest and concern for the many world problems through a program of discussions and talks.

## STUDENT FORUM

"To study and discuss current social, political and economic problems facing the world today," is the aim of the Student Forum. To achieve this end, the Student Forum periodically is able to obtain guest speakers who delve on their field of interest with the clubs. This year Dr. Albert Burke, economist and authority on the world, spoke on Education in the U.S.S.R. and the United States. Speakers have come from an anti-discrimination organization and a socialist labor party.

STUDENT FORUM MEMBERS. *First row, left to right:* Mrs. Louis — advisor, M. Shia — secretary, P. Passariello, D. Kahn, Miss Bissonnette — advisor. *Second row:* B. Repplier, S. Lindblom — treasurer, H. Jacobs — vice co-ordinator, M. O'Brien, E. Gerber. *Absent:* I. Pelzer — co-ordinator.

FRENCH CLUB OFFICERS: S. Silverstein, vice-president; Miss Satterlee, advisor; G. Cashman, secretary; D. Cashman, treasurer; M. O'Brien, president.

## LE CERCLE FRANCAIS

The French Club has been expanded considerably this year by the addition of interested first and second year French students to the regular membership of third and fourth year club members. Under the lively and enthusiastic hand of Miss Rebecca Satterlee, students are given the opportunity to become better acquainted with French customs and French culture. The club annually takes several field trips to New York to see plays and to dine in French restaurants. Other activities include French suppers, illustrative talks, and holiday celebrations.

## EXCELSIOR

"Esse quam Videri"

Excelsior continued to cultivate knowledge in the culture of the Romans by presenting an original play, "Musical Tragedy" and by holding the annual Saturnalian revel in the spring. In addition, club members gave numerous reports on Roman ways and means at the usual meetings. Miss Sally Casper, a true descendant of Aeneas, and Mrs. Viola Titus were the faculty advisors.

LATIN CLUB OFFICERS: G. Camera, president; G. Cashman, secretary; S. Mermin, vice-president; J. Hall, treasurer.

LATIN CLUB. *First row, left to right:* B. Repplier, L. Stevens, J. Hall, G. Cashman, S. Merman, B. Lincoln, L. Camera. *Second row:* G. Barrett, S. Graboski, J. Guidone, P. Zammataro, S. Moss, M. Jacunski,

SPANISH CLUB OFFICERS. *Seated:* Miss Mittman, advisor; Senor Burns, advisor; B. Barnett, treasurer. *Standing:* R. Guzzio, president; K. Worcek, vice-president.

## EL CIRCULO ESPANOL

"El Circulo Español" is undoubtedly the biggest club in the school. To say a pro-Franco movement is under way is probably going far, but the fact remains that there are quite a few students interested in Spain, Mexico, and Spanish Culture.

A Christmas party was given and a trip to New York for wine and song was taken by the club.

SPANISH CLUB. *First row, left to right:* J. Marshal, L. Hudson, J. Bachinski, R. Christoforo, J. Rubil, E. MacAdams. *Second row:* L. Gollenberg, L. Barbesino, B. Randallo, T. Fusco, D. Platt, B. DEBATE CLUB. *Left to right:* D. Reiger — president, P. Passariello, N. Shia, S. Lindblom — secretary-treasurer, Miss P. Johnson — advisor, *Absent:* H. Jacobs — vice-president.

SCIENCE CLUB. *First row, first lab assistants:* M. Candelora, C. Sheffield, R. Boudreau — president, J. Morgan — secretary, J. Rubino, S. Comstock. *Second row, second lab assistants:* H. McBynn, T. Owens, C. Dirks, P. Ori, J. Goldschmidt, E. Hankin, G. Lewis, Dominic Mascagna — advisor. *Absent:* Martin Berdinka, — vice-president and treasurer.

## DEBATE CLUB

Under the watchful eye of Miss Priscilla Johnson, the Debate Club attempted to carry out its pledge "to promote eloquence, truth (Does eloquence come before truth?), and freedom of thought."

The topic was: "Resolved that the United States Support a Common Market for the Western Hemisphere." Debates were held with individual area schools and in tournaments at Southern Connecticut State College, Cheshire Academy, and University of Connecticut.

## SCIENCE CLUB

The steadily growing Science Club, advised by biology instructor, Mr. Dominic Mascagna, promotes student interest in different branches of science and allows interested students to probe more deeply into their desired fields. The Science Club is responsible for a greater part of the annual science fairs at North Haven, and the production of the Science Newsletter.

## CAMPUS STORE

The girls with the perpetual smiles in the Campus Store are not cheshire cats. They are only smiling to please the harried customer — and the customer is always late — who must have notebook paper or a bus ticket or a 29 cent pen or a million and one other things.

The store is open before and after school and often during the day.

CAMPUS STORE. *Left to right:* P. Greist, C. Muzzio, E. MacAdams, M. Migliario, T. Anzel.

CHESS CLUB. *Sitting, left to right:* R. Boudreau, H. Taylor. *Standing:* G. Cronk, K. Larson, S. Lipson, R. Coward.

RADIO CLUB. *Left to right:* K. Gates, J. Sutherland, G. Alexander, Mr. Chace — advisor.

A.V. CLUB. *Left to right:* G. Guertin, D. Jacobs, Mr. Wright — advisor, V. Damutz, D. Wawrzeniak, J. Rigby, S. Coulon.

## CHESS CLUB

The Chess Club went all out this year by scheduling nine meets with other area schools. The five man team and Mr. Biewald met Cheshire Academy, Hamden H.S., Hand H.S., and Ansonia H.S. The players hope to achieve recognition as a major sport within a few years when the proposed chess league materializes.

## RADIO CLUB

The purpose of the Radio Club is to instruct members in the principles and practical applications of electronics. Information acquired in the club may result in the obtaining of an amateur radio operator's license. Mr. Chase is the chief ham.

## AUDIO-VISUAL CLUB

The A.V. Club is perhaps best known for its gallant rescues of teachers with broken projectors. Advised by Mr. Wright, the club also splices, delivers, and watches films, and serves as the projectionists at movies presented at the school auditorium.

## LIBRARY CLUB

The Library Club, besides fulfilling the normal activities of library assistants, attended numerous meetings and discussion groups throughout the year. The club participated in workshops at Southern Connecticut State College in March, and at the fall meeting of the Nutmeg 020 group for library assistants. (020 is the Dewey Decimal number for library.) The meeting, held at Amity Regional High School, offered talks on reading and the mechanics of running a library.

LIBRARY CLUB. *First row, left to right:* E. Russell, K. Andrews — second vice-president, P. Smith — recording secretary, F. Novaro — treasurer, J. Betta — vice-president, C. Tolman — president, B. Berlepsch — book chairman. *Second row:* Mrs. Bearse — advisor, M. Gould, P. Zammataro, J. Jablonski, K. Henneckson, E. Kaik, L. Sinow. *Third row:* C. Schmidt, N. O'Connor, L. Fritzges, B. Martus, J. Palmieri, B. Ruggiero. *Absent:* L. Montgomery, — third vice-president.

## VARSITY CLUB

The Varsity Club, one of the oldest organizations at North Haven, this year sponsored the annual "Varsity Drag," the Alumni Basketball Game. Other activities of the club included the selling of programs at all home football and basketball games, and the usual "Day of Initiation" for new Varsity Club members. All the funds obtained by the boys have been donated for the purchasing of new sports equipment for the school.

VARSIITY CLUB. *First row, left to right:* R. Jamilkowski, W. Engster, D. Melillo, L. Bradinini, B. Anton, R. Giannotti, C. Vollero, R. Player, C. DellaVecchia, E. Martine. *Second row:* R. Barry, J. Korzick, M. Chapman, R.

## SKI CLUB

The Ski Club was organized two years ago to give those students interested in skiing the opportunity to acquire skills and experience. Its rapid growth shows the enthusiasm felt by the students towards broken legs, linament bottles, trees, and faces of wet snow.

The club went on an all-day trip to the Mohawk Ski Area in January. Movies and lectures supplemented the actual skiing.

SKI CLUB OFFICERS: T. Casey, vice-president; Mr. Perrone, advisor; S. Kesselman, secretary; T. Sullivan, president. *Absent:* P. Smith, treasurer.

SKI CLUB. *First row, left to right:* W. Rennie, K. Van Buren, J. King, S. Marinoff, T. Sullivan, S. Kesselman, T. Casey, S. Williams, S. Silverstein. *Second row:* F. DeToro, J. Basile, B. Clinton, M. Scott, I. Pelzer, S. Lindblom, M.

Chapman, M. Kromer, M. MacKellar, M. Wrinn. *Third row:* R. Chichester, J. Carpenter, E. Nelbach, L. O'Connor, R. Henson, R. Way, R. Johnson.

## PEP CLUB

The size of the Pep Club — about sixty million screaming girls — demonstrates the club's purpose: to boost the cheering power of the cheerleaders at football and basketball games.

The club meets regularly to learn new cheers and to pep up old ones. The school cheerleaders are chosen from this group.

PEP CLUB. *First row, left to right:* P. Mathers, J. Bernay, T. Anzel, J. Spignesi, B. Wayne, M. Migliaro, M. Possidente, G. Bincent, E. Ciecierski, K. Leonard, C. Ross, B. Tomczak, S. # SPORTS

The real ones, the right ones, the  
straight ones and the true,  
The pukka, peerless sportsmen — their  
numbers are but few;  
The men who keep on playing though  
the sun be in eclipse,  
The men who go on losing with a laugh

## D. C. ALLEN

*"Renowned throughout Connecticut as an outstanding educator, D. C. Allen was also an ardent sports enthusiast. It is appropriate that our athletic field bears the name of North Haven High School's most faithful fan."*

Dr. St. Clair

Throughout the town and state, educators, students, and all who knew him regret the loss of D. C. Allen.

The SACHEM honors here Mr. Allen for his interest in youth and in the athletic training of youth.

## FOOTBALL

North Haven completed its best season in the history of the school with a mark of 6-2. Although handicapped by several key injuries, the Indians combined the running of Ken Hasnosi, Earl Martine and Rich Giannotti to earn a piece of the league championship with East Haven and Branford. North Haven swamped East Haven in the only encounter with their bitter rival.

Individual honors went to five players: Martine and Hasnosi were picked Register player of the week; Hasnosi also received the Savitt Sportsmanship award and a berth on the All-Housatonic League team; Bruce Anton and Rod Player also made the all-league team.

**BASKETBALL**

With four out of five lettermen returning from last year's squad, the Indians stormed to one of its best seasons in recent years. Led by high scoring captain Bill Engster, the team registered crucial wins over Lyman Hall, West Haven and Branford. North Haven qualified for the Class "A" tournament, taking the required fifty-one percent of their class "A" games.

Starting for Coach Tim Connell were John Copeland at center; Engster and Rich DiMeola in the corners; Lou Bradanini and Rich Coyle at the guard positions. Coyle is a junior. Mike Landino, a sophomore, and two juniors, Rich Neumann and Hal Jackson, saw a lot of action.

Two scoring records were set, both by Engster. Against West Haven, Engster tallied 43 points, two games after he scored his 1000th point.

## TRACK

Heavily relying on the field events to rack up the points in all their meets, the track team finished first in the Housatonic league race with a league mark of 4-0. The Indians won a total of eight meets losing six, while ten school records were broken. Four members went to the State Class "A" sectionals at Bowen Field, where they took places in each of their events. Gary DuPaul entered and placed in both the State Class "A" finals and the New England Finals in Maine.

borne, D. Mansfield, P. Matherson, M. Cestaro, D. Platt, M. Jacunski, G. Murray, M. Rapuano, L. King, C. DeLorenzo.

## GIRLS' BASKETBALL

The spectators at the girls' basketball games may have thought the game was being played partly by boys' rules and partly by girls' rules. New terms as "roving player" and "back court" have crept into the game to create more confusion, but ultimately a more interesting and challenging game. The increased amount of action has forced the junior varsity to be incorporated into the varsity.

BASEBALL TEAM. First row, left to right: M. Chapman, E. Martine, R. Player, P. Titus — co-captain, S. Baldyga — co-captain, L. Bradinini, R. Giannotti. Second row: R. DeMayo — coach, B. Barry, R. Coyle, T. Murphy, R. Stopkoski, S. Robinson, J. Amato, M. Vanacore — coach. Third row: J. Bartolini, H. Totz, C. Sensale, P. Yashenko, J. Poll.

## BASEBALL

The 1962 season got off to a good start towards a winning season by winning the first game played on the new baseball diamond at the D. C. Allen Field. The team won 8 out of 10 Class A games, in addition to being runners-up in the Housatonic League Championship. Much of the team's success was due to the hitting power of Paul Titus, Richie Giannotti, and Earl Martine and the fine pitching of Henry Totz and Stan Baldyga. Three of the members of the team were selected for All-Housatonic honors: Henry Totz, and co-captains Paul Titus and Stan Baldyga.

J.V. BASEBALL TEAM. First row, left to right: A. Kelly, S. Robinson, W. Olmstead, J. Korzick. Second row: R. Traskos, D. Melillo, I. Rouse, R. Hart. Absent: J. Amato.

## CHEERLEADERS

Whether yelling or crying or stamping thier feet for victory, our eleven vivacious cheerleaders are the centers of enthusiasm and excitement at all the football and basketball games. Possessing remarkable stamina, the cheerleaders pour out such an endless variety of splits and flips that the team often goes unwatched. The color and action of these girls play an important part in creating school interest and spirit without which the school and the players would surely suffer.

Suzy Endel

## TWIRLERS

High stepping in their maroon and white uniforms to the sound of the marching band, the Twirlers perform during half time at all home football games. The girls are chosen for their proficiency with a baton and ability to march.

TWIRLERS. *Left to right:* E. Trunik — captain, K. Kahmer, R. Christoforo, L. Manley, J. Bachinski, K. Malicki.

**BOWLING TEAM.** *Left to right:* C. Johns, P. Kossack, R. Benson, M. Amodio, R. Lundgren, P. Hintz, D. Yentsch, C. Liedke, Mr. Cannavaciolo — coach.

## BOWLING

After winning three out of the first four matches, the bowling team ran out of pins, losing four in a row. Perhaps the ball got too heavy.

## RIFLE

The Rifle Team is at the same time one of the loudest and one of the least known athletic teams in the school. The team practices down in the basement of the school in their specially designed rifle range. In the past the sharpshooters have rolled up an enviable record.

**RIFLE TEAM.** *First row, left to right:* R. Naples, J. Lewis, R. Henson, J. Haury, S. Coulon, K. Wood, G. Lewis, R. Zahornacky, T. Maxson, V. Pallatto, Mr. Polanski — advisor.

## SWIMMING

Although the swimming team could not boast a victorious record, the Indians continued to improve its showing against highly touted teams like Hamden, Notre Dame, Amity and Naugatuck. The squad is captained by Ed Haury and Alan Davis, two of the team's four seniors. Mr. Keough is in his first year as coach.

SWIMMING TEAM. *Kneeling:* Co-captains E. Haury and A. Davis. *First row, left to right:* T. Owens, I. Rouse, S. Muirhead, B. Macina, D. Muirhead, A. Goodman, J. Olsen, C. Liedke. *Second row:* Mr. Keough, coach, J. Gordon, D. Olsen, J. Dorin, G. Marrone, P. Landroth.

GOLF TEAM. *Left to right:* R. Coward, W. Engster, B. Anton — captain, K. Fellows, Mr. Perrone — coach.

## GOLF

This year the Golf Team — with only captain Bruce Anton back from last year's squad — played nine-hole matches instead of the usual eighteen. The team practiced and held home matches at Meadowbrook Country Club.

SENIOR CLASS PARTY

## TARA

Amid the splendor of the palacial gardens of the TARA plantation the seniors of '63 danced to the music of the Charles Williams Orchestra. Because of the efforts of our co-chairmen, Judith Burkle and Carmen Della Vecchia, the prom of May 11th was a complete success.

Following the Prom the sleepy, but happy seniors adjourned to St. Therese's Hall where they danced into the wee hours of the morning to the music of the Highlights.

## SENIOR CLASS RECEPTION

Undaunted by frequent gusts of wind or by weather which was uncommonly cold for May 22nd, we held our senior class reception in the main courtyard. Here we got our final chance to mingle with our faculty friends. The success of this function was due to the willingness to work of our co-chairmen Marianne Dill and Carole DeLorenzo.

and then came Friday night, June 7th;  
we got our yearbooks.
