The members of the Class of 2009 would like to extend their deepest gratitude to their class advisors, Mrs. Rosano and Mr. Johnson.

# Mrs. Rosano

These amazing individuals have been so dedicated to the Class of 2009 and have put a lot of work into making these past four years a meaningful high school experience. Mrs. Rosano and Mr. Johnson have aided this class in numerous fundraisers including glo-sticks at Homecoming '07, the Ultimate Frisbee tournament in spring '08, and the Badminton tournament in fall '08. We will never forget the bubbly, outgoing, and friendly personality of Mrs. Rosano, nor Mr. Johnson's open mind and willingness to listen. Both advisors have

Mu Alpha Theta sponsored a Pi celebration, on National Pi Day, March 14th (3/14). Pi is the symbol for the circumfrence of a circle to its diameteR.

Pi= 3.1415926535...

The day's celebration included a pi-digit memorization contest, a pie baking contest, face painting, and pi singing lead by Ms. Holt and the NHHS Special Chorus. Kevin Anderson took first place in the memorization contest with 314 digits. (purposely so!) The first place pie in the baking contest was a butternut squash pie baked by Abbie Walston, teacher in the science department.

Students and staff celebrating pi day could be identified by their commemorative tie-dye t-shirts hand decorated by the Mu Alpha Theta students.

This mathematically significant celebration was a complete success!

### Physical Education & Project Adventure

A popular class to take sophomore year is Project Adventure, an alternative to a normal P.E. class that takes one out of the gym class and comfort zone. This class is aimed towards opening students up to trusting in oneself and each other as many of the activities are group initiatives and team-oriented. Below, students are pictured doing climbs which is a key element to P.A. Not only do they climb to new heights physically, but mentally also.

P.A. Facilitators are an integral part of the P.A. experience. Chosen in their sophomore year, these facilitators guide P.A. sophomores through climbs and initiatives while caring for their safety. Their encouragement and support urge sophomores to stay determined throughout the year.

P.A. Facilitators: Kathrin Nye, Louis Landolfi, Frank Decusati, Kelly Halkyard, Maria Sanzari, Ryan Criscio, Suki Hood, Anthony Cuomo, Eric Karacsonyi, Sarah McGovern, Kalie Siciliano, Skye Gallagher, Bruce Devlin, Gabby D'Amico, Tori Perrone, Justin Hoffman, Vin Battista, Maria Cook, Desiree Fredericks, Mike Geoffino, Becky Jordan, Gabe DeMacedo, Michael Bosco, Colleen Guckian, Kimmy Hentz, Mr. Manjuck and Mr. Fazzuoli

## Library and Media

This program features segments written and directed by students at North Haven High School including "Matt on the Move," "Conversations," Sports Recaps, interviews, concerts, and other events at the school. These talented individuals also edit and shoot their own footage.

Junior B. Burns interviews a student outside of the computer lab.

So quickly time has passed,
Your ballet and skating outfits are collecting dust,
The dollhouse is gone,
Just a few stuffed animals left on your bed,
As you are going out into the world,

Through challenges and through success;
People like you make the world a better place.
You handle it all with a calm, collected style,
Never look back, yet manage to go an extra mile.
And now your are ready to get out there,
With your chin up, an open mind and a big smile.

We will be watching, always here for you. We wish you luck in all you do And hope all your dreams come true!

It's not a profound statement to say "It seems like you were born yesterday". Most parents would say the same thing.

To watch you grow through the years from a carefree toddler to a bright, helpful, caring young man has been a pleasure for both of us.

High School Graduation, something that as so far in the future and seemed as if it would never come, is now here.

Your future- what you have been working for the last 18 years has now arrived. We know that you have grown in so many ways and are ready to take on the challenges ahead.

We can only hope that whatever course your life takes you on, that you are happy, healthy, and enjoy every moment of it.

Brittany Leigh, "more than anything,

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things

Yeah, this is my wish."

#### A Letter from the Editors:

Dear Classmates and Friends,

Often, the time and effort that goes into the creation of a yearbook goes unnoticed. Without the dedication and assistance from the staff of Sachem 2009, we know we would not have been able to carry out this task. Beginning in the fall of 2008, we remember the many eager faces and long attendance lists at yearbook meetings. Yet, over time, the yearbook staff reduced to a smaller, but devoted group of individuals. There have been many events during the year and we are very proud to have been able to collect and display them in this book for years to come.

First, we would like to thank Mr. Sasena from Jostens and Mr. Manente from Storytellers for everything they have done. Thank you so much for providing us with pictures to document multiple events and helping us to motivate the ad campaign. We are so grateful for your help.

As noted earlier, this year's yearbook staff became a smaller group of dedicated individuals. We thank you greatly for your time spent not only during meetings but at home during the process of this yearbook. You must know you are an enormous help to the creation of this book if you ever came to meeting and wondered where everyone else was. Your help in identifying photos, editing profile formats, and typing up captions is much

During the course of this yearbook creation, many hectic weeks were spent searching for photos to use and encouraging the submission of photos from students. Thank you so much for all the submissions. It was a great help to complete the layout with pictures taken by you. The cooperation of the school in general was such a help to the book. Thank you for your suggestions, sports identifications, and consent to use or take pictures.

To the parents and members of the community, we thank you for supporting the production of this yearbook through your purchases of advertisements. Not only did you greatly aid the production of this yearbook, but the students of North Haven High School will forever be grateful for your generosity. Thank you all so much!

There are a two exceptional individuals who must be thanked for their patience, commitment, and cooperation and they are the yearbook advisors, Ms. Karcz and Ms. Magoveny. Without you two, this yearbook certainly would not have been possible. Thank you both for those long afternoons spent deciphering questionable profiles and identifying faces with us. Your time and commitment spent in the completion of this book is undoubtedly appreciated. Thank you for being two outstanding and understanding individuals!

This yearbook is a celebration of the many achievements and personalities of the many students here at North Haven High School. As the story of this year comes to a close, we congratulate the Class of 2009 and wish them the best in all of their future endeavors. We hope you take from this yearbook the events and moments which defined a very memorable year for you. As you close this chapter of your lives, do not forget there are endless memories awaiting you. There are several people who will tell you that your high school years are the best of your life. We genuinely hope this will not be true for you as you begin adulthood. Best of Luck to the Class of 2009!

Sincerely,

Haidin Any Emi Zwasanyi Lisa Nainsky
