MR. CLARKE ROCKWELL

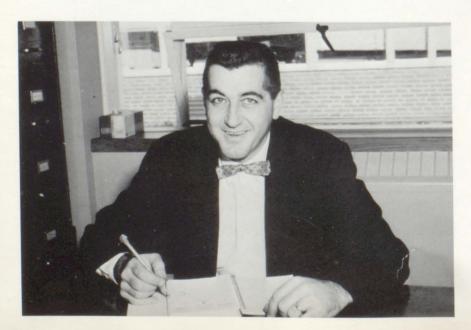

Dedication

To express in one small way our gratitude for their encouragement and support, their advice and much needed scoldings, their never ending patience and ever ready helping hand, and plain hard work — We, the Class of '61, wish to dedicate our yearbook to those three men who made our four years at North Haven High School so successful.

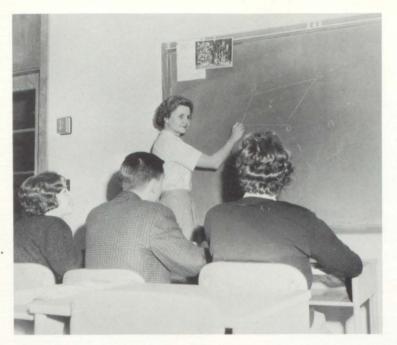

To our advisors, Mr. Donald Clarkson, Mr. Francis McMahon, and Mr. Clarke Rockwell, we affectionately give the highest honor that is ours to bestow, the dedication of our yearbook, the Sachem, 1961.

IN APPRECIATION

We would like to express our deep gratitude to Miss Fontaine and Mr. Perrone, who have given invaluable aid to the members of the Sachem staff. They have taken time to answer our questions, to offer many suggestions, and to help us meet our deadlines; and without their extensive knowledge of the many things that go into a successful yearbook, the 1961 Sachem would not have been possible.

"What do you mean I walk like a duck?"

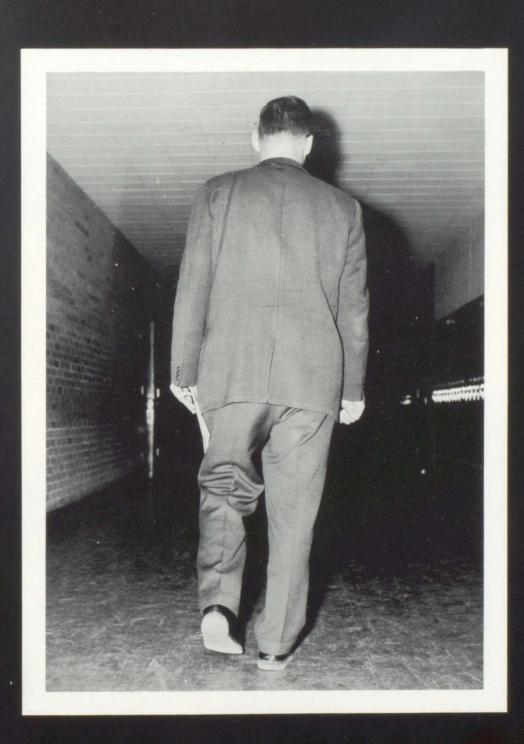

"I got a gal in Chesapeake Falls — honey — babe —"

SUPERINTENDENT'S MESSAGE

To the members of the Class of 1961 we offer congratulations upon the attainment of a long-sought goal. A major portion of your lives has been spent in acquiring knowledge, maturity, and self-reliance in the public schools of North Haven. Now graduation marks the termination of an important period of development towards adulthood.

But the memorable days ahead are aptly named commencement. They mark the beginning of a life of great freedom but of far greater responsibility. Robert Hutchins once said that man is free to do what is right, not what he wants.

Hence, each of you bears an awesome accountability both to yourself as an individual and to the democratic society of which you are a part. Our world has more need for leaders and doers than for critics.

You are well prepared to face with courage the challenge which you are sure to meet in a world of tension and conflict. We shall expect great achievements from you!

PRINCIPAL'S MESSAGE

One hundred years ago, after the discovery of gold in California by John Marshall, groups of people living in the eastern part of the United States went West to seek their fortunes. They left the security of their homes for the wilderness of the West. Like seniors of 1961, as they started on the long journey to a new home, they realized that a gate had closed on their former way of life. However, they were to know new people, to have many different experiences, to be called upon to meet emergencies, and to face hardships.

To many of these people a challenge was offered. Like you, whether they accepted it was up to them. In this long and arduous journey which led the 49'ers to a golden land, they found that worthwhile character traits helped them in living day after day with others in the wagon train. They were to learn that fortitude was a golden nugget acquired long before they reached California. They learned that what they had been, how they had lived, whom they had served were deciding factors in this difficult trip to a new home, a new life. But even more important, they came to realize that faith in God, in their fellow man, and in themselves was necessary in this quest for the future . . . a future that was unknown, but one that offered unlimited opportunities for the challenge and accomplishment.

Like the 49'ers, you, the Class of 1961, will seek your fortunes. May one of your finest nuggets be a personal dedication to the interest and advancement of mankind.

ASSISTANT PRINCIPAL'S MESSAGE

Congratulations to the Class of 1961. You are not only ready to complete your careers at North Haven High School, but also you have come very close to fulfilling my motto, "Don't panic. Be flexible."

It has been a delight to all of us to observe your mature acceptance of the unique responsibilities as the first graduating class from our senior high school program. You did not panic, and your flexible adjustment to the honor system and other added duties was very satisfying.

We have known one another for a long time. In reminiscing about the past few years at North Haven High School, it is important that we reflect upon the real meaning of our activities together. It has been the goal of your faculty to guide you through a series of experiences to lead you smoothly to adulthood. We also felt the personal and professional duty to provide you with those skills, facts, and attitudes necessary for successful and happy participation in the adult world.

In all your activities your class has been noted for its vitality, its school spirit, its originality, its academic and social strengths. As you have added your contributions to the traditions of North Haven High School, so we hope that you will forever be influenced by the sincere efforts of your teachers to fully prepare you for life ahead.

I know you appreciate what your teachers have done for you. Now it is up to each of you to justify our confidence in you. Our best wishes are extended to you wherever you go.

May you always be loyal to North Haven High School. Your future plans should include frequent visits to renew old friendships. You are always welcome and we look forward to continued relationships in the future.

CLASS

JUNIOR PROM ROYALTY

Left to right are Marge Reynolds, Linda White, Jerri Macina, Cheryl Wiberg, John Perch, Ken Pompilli, Al Hansen and Bob Johnson.

We, the Class of 1961, began our years at North Haven High School as sixth graders, Although many came from various elementary schools at opposite ends of the town, it didn't take long for us to get acquainted. Our first Class activity, "Cherry Pink and Apple Blossom White" was an afternoon dance held in the gym. We were a bit shy at first but soon everyone was having a great time.

As the next year rolled around, we set about zig zagging our way through the corridors, trying to find the right room within the three minute limit.

Mrs. Ferguson was chosen as Class Advisor and our first responsibility was the election of officers. George Spignesi, Lonny Sargent, Jane Eriksson, and Libby Buxton were elected to lead us through the ensuing year. Our dance, "Moments to Remember" brought a bit of anxiety to Mrs. Ferguson as she feverishly tried to encourage the boys, sitting on the opposite side of the room, to get up and dance.

The eighth grade opened up an entire new field of studies for us. We became well versed in the first few pages of the Latin, Spanish, and French Texts. In typing, our speed grew steadily as our errors popped up everywhere.

As Freshmen, we were confronted with the payment of class dues. Also, we presented "Tropical Paradise," an evening among green and gold decorations with "no stags allowed." Our bank account at this time left much to be desired.

Mr. Clarkson became our Advisor as we entered the Sophomore year. Art Navarro, Lonny Sargent, Kent Johnson and Carol Mancini were our choice for Class Officers. We sponsored the "Big Beat" which successfully pulled us out of our financial dilemma.

The next fall, we began our Junior year in a prevailing atmosphere of enthusiasm. This was going to be a full year of events; more fun, greater responsibilities and prestige.

Our English Class was turned into one of excitement and confusion the day we received our Class rings.

JUNIOR CLASS PARTY

"Oh — there are seven bottles of beer on the wall, on the wall —"

HISTORY

The boys really started to excel in varsity sports and most of us can remember shivering through the Junior-Senior Football Game.

In collaboration with our English and History Classes, we presented "Twenties Day" and had a roaring time portraying the Klu Klux Klan, "speakeasy" and other memorable events of that era.

Then, after three terms of road driving and gear grinding, with a bit of apprehension, waited for our date with the Motor Vehicle Department.

Lots of food, music and fun combined to make our Class Party a real success.

The night of the Junior Prom, "Misty," we were dancing under a heavenly cover of blue and white streamers to the wonderful music of Pat Dorn's Orchestra.

Honor Guards and Junior Hostesses for Graduation were chosen and then finally, Moving-Up Day. After rushing out to our courtyard, we celebrated by hoisting up the flag of '61 made by Gail Ferucci.

During the summer, five of our classmates attended Girls' State and Nutmeg Boys' State. They were Sherry Simpson, Barbara Ibsen, David Osterheld, George Spignesi, and John Culler.

As Seniors, we were a very important, and influential part of this year's new Senior High School. We found ourselves in a whirling mass of academic requirements and social activities. The SACHEM, senior class pictures, and "Charlie's Aunt" kept both us and our Advisors, Mr. MacMahon and Mr. Rockwell, busily flying here and there during and after school.

Time continued on, and all too quickly we became involved in our Senior Prom and Teachers' Reception. Then — Baccalaureate and finally Graduation. Seven years of wonderful memories and friendships will be regretfully left behind as we, the Class of 1961, take another step along life's journey.

"ROARING TWENTIES"
"Don't misunderstand me boys, I . . ."

HONOR GUARD
"Burn out the old and bring in the new."

THE SACHEM

A successful yearbook is the product of many different factors. Our advisors, Miss Fontaine and Mr. Perrone, answered our questions and gave us advice. The biography staff tried to capture in a brief paragraph the character of each senior. The sports and activities editors recorded our after-school activities. The photography editors and art staff worked to capture in photographs the many facets of school life and to produce the art work in this year's Sachem. The advertising staff worked frantically to secure financial backing. The business staff and aides took care of innumerable details, and co-editors, Barb Ibsen and Bob Gebersky, provided leadership for the staff members and bound the many loose ends into this finished volume.

THE SPANISH CLUB

Again the Spanish Club proved to be both interesting and helpful to its members. "El Circulo Espanol," under new advisors, Miss Ollayos and Mr. Burns, enjoyed a successful third year in existence. This year's activities included visits from special guests, slides, a Christmas party, and a trip to New York. The highlight of the year for the club proved to be a visit from Nadja Ribeiro of Brazil, in which Nadja sang Spanish and Portuguese songs. This popular club has grown steadily in membership and influence during the last 3 years. It is open to all Spanish students for the purpose of promoting use and knowledge of the Spanish language, customs and habits.

The Varsity Club is one of the most exclusive clubs at North Haven High School, with membership confined to those who have earned Varsity letters. The club has many activities, such as putting on the Alumni basketball game, selling programs, and acting as ushers at various functions. The two highlights of a most successful year were the initiation of new members and the annual club-sponsored dance, The Varsity Drag.

The profits that the club earns goes toward the Physical Education Department in their efforts to supply equipment for the various sports.

THE LIBRARY CLUB

Under the direction of Mrs. Bearse, the members of the Library Club have kept the library functioning in an orderly manner. Members of the club assist in charging and discharging books, shelving books, and arranging displays. They also distribute overdue notices and assist in book selection and reference work. This year the club observed Book Week in the school library with special displays and bulletin boards. Also they have attended a library conference at Reading, Connecticut. The Library Club is one of the most useful and necessary clubs in the school.

The Art Club contributes to the school by making the posters we see for various events in the school. This year, as in the past, posters were made by the Art Club for the Senior Prom and other social activities put on by North Haven High.

STUDENT FORUM

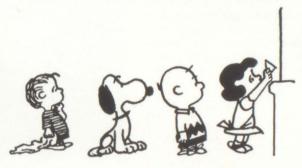

In its first full year of existence the Student Forum proved an immediate success. Under the direction of Miss Carneige the club sponsored a field trip to Hartford, discussions on national purpose, and, in cooperation with the Debate Club, the Model Senate. This organization provided the students with a forum where they could argue and discuss contemporary subjects.

OFFICERS. Seated, left to right: Mrs. Carnegie, advisor; J. Ryan, coordinator; A. Gordon, representative. Standing: R. Brumbaugh, secretary; H. Chesley, representative; F. Ragozzino, treasurer.

CAMPUS STORE

With a cheery, "May I help you?" the girls in the campus store patiently supplied the student body with various little necessities ranging from reinforcements to bus tickets. Before and after school they provided a listening post for the latest news and tales of woe. Their loyalty to the students often made them miss their buses while serving one late stranger at 4:01.

Left to right: B. Twelves, E. Kaik, A. Davis, L. Naples, Mr. Polanski, advisor.

THE RIFLE CLUB

Under the expert instruction and supervision of Mr. Edward Polanski, members of the Rifle Club can be found practicing at the rifle range at North Haven High School. Members of the club practice once a week in the range where each member is instructed on the proper firing position and proper use of a rifle. The club is open to anyone interested in firearms.

THE RADIO CLUB

The Radio Club, now in its second year at North Haven High School, is under the supervision of Mr. Robert Mercuri. The objective of the club is to instruct its members in Morse Code and theory, in order that they may obtain an amateur radio license. Members also receive instruction in basic electronic circuits and principles. The club is open to all interested members and meets once a week.

Seated, left to right: L. Reid, Mr. Mercuri, advisor; R. Reiss. Standing: L. Antonacci, R. Candelent, A. Davis, W. Metcalf.

AUDIO-VISUAL AIDS CLUB

The Audio-Visual Aids Club's main objective is the aiding of faculty and students. Under the direction of Mr. Wright, it is one of the most useful and helpful of the organizations in the school. The A.V. Club is open to all interested in movie projecting. The various duties of the A.V. Club include scheduling of films, delivering of equipment, taking of inventory, and maintenance of equipment. Another important function is the instruction of students in the handling of equipment. The highlight of this year for the club was a trip to the University of Connecticut to visit their Audio-Visual Aids Department.

Left to right: V. Damutz, G. Rigby, Mr. Wright, advisor; D. Wawrzeniak, B. Powell.

LIGHTING CLUB

The sole purpose of the Lighting Club, is to operate the lights during productions, assemblies, and concerts given at N.H.H.S. Members' duties also include the maintenance of lighting equipment. The club, under the supervision of Mr. Wright, is closely connected with the Audio-Visual Aids Club.

PROJECTIONIST CLUB

The Projectionist Club, under the direction of Mr. Wright, is composed of students interested in movie projecting. The main object of the club is to have a student in the classroom to operate equipment to aid the faculty members in charge.

CONCERT BAND

The North Haven High School Band is one of the organizations of which the school is especially proud. The Band, under the direction of Mr. Alex Winsco, started this year with a drop in membership, due to the graduation of 21 band members, but it continued to be especially active. The Band made appearances at home football games, social programs, and concerts. The band also participated in the Spring Music Festival and they will climax the year by furnishing music for graduation.

DANCE BAND

Cha-chas, dixieland, and rock 'n roll; these are but a few of the types of modern dance music that the Dance Band, under the direction of Mr. Alex Winsco, plays at various functions which it takes part in. The Dance Band this year appeared in the annual Spring Music Festival. Their swinging arrangements were enjoyed by everyone who heard them play.

GERMAN BAND

Playing in the style of the oldtime German backyard band, the German Band, under the direction of Mr. Alex Winsco, continued to win praise from everyone who saw them. The German Band took part in the Spring Music Festival, and performed outside the school at various social functions.

ALL-STATE MUSICIANS AND CHORUS

This year again, students from North Haven High were chosen to participate in the All-State Music Festival held at Bushnell Memorial Hall in Hartford on October 27th. The best students in their field of music from the various schools in the state auditioned for positions in All-State. Competing against one another, they are judged on quality and tone and then selected to perform in the All-State Music Festival. This year Richard Ihmels and Betsy Hall were chosen to participate in the All-State Orchestra and Band, and Rae and Betsy Newcomb were chosen to participate in the All-State Chorus.

FOOTBALL

Led by co-captains Tony Novarro and George Spignesi, our Indians, with a record of four wins, two losses and two ties, compiled the finest record in the history of N.H.H.S. football.

Together with a winning season, three of our seniors were honored for their outstanding efforts throughout the season. Tony Novarro was elected to the All-Housatonic team. George Spignesi was one of few players to be selected as player of the week by the New Haven Register. Stan Stopkoski received, and well deserved the Savitt Good Sportsmanship Award. Your determination and skill will yield memories not soon forgotten, Stan.

BASKETBALL

The North Haven basketball team, using a combination of hustle and good shooting, won many tight ball games and put up several impressive battles against the league's stronger teams.

Because of a lack of height, Coach Connell emphasized speed and good ball control. By using this formula, the Indians were able to put together a very exciting basketball season. In one instance, they came close to defeating a strong Lyman Hall team which was first in the league.

"This is no time to hold hands!"

The girls' team got off to a good start this year, beating Laurelton Hall and Southington in its first two games.

Coached by Miss Phyllis Sbabo and ably captained by Pat Russell, the team is looking forward to another undefeated season. With girls like "Bomber" Mauriello and "Sunshine" Russell sinking the baskets and Janie Eriksson and Nina Runyon on the boards, the sextette's prospects look very good.

The J.V. team, captained by Carol Davies, we know will keep the varsity team rolling next year.

TWIRLING

With the flashing of batons, the Twirlers marched in the cold weather to lead the band down the field during half-time at the football games.

Captained by Judy Lemieux and under the leadership of Mr. Alex Winsco, the girls added color and excitement to the games.

GOLF

The North Haven golf team, which had inexperienced players a year ago, expected to come up with a good seasoned team under the guidance of their new coach, Mr. Michael Perrone. The team was prepared to give any Housatonic League entry a good fight. Also included on the schedule were some of the stronger class A schools.

Seated, left to right: D. Nadeau, W. Malavase, M, Perrone, coach. Standing: M. Setaro, B. Anton.

BOWLING

The North Haven bowling team, coached by Mr. Alphonse Cannavaciolo, set a goal at the beginning of the season that they would win the District League Championship which they had taken two years before.

This year the bowlers, led by captain Rick Ihmels, were the first to defeat Wilbur Cross, the defending champions. High bowlers for the season were Ihmels, Louis Ranciato, Joe Iaquinto, and Bob Gebersky.

Left to right: J. Jablonski, J. Iaquinto, R. Ihmels, captain; R. Gebersky, L. Ranciato, R. Thomas, R. Lundgren, P. Hintz, Mr. Cannavaciolo, coach.

RIFLE TEAM

Area shooters beware! The (N.H.H.S.) rifle team coached by Mr. Polanski is heading into another successful season. With victory over Eli Whitney and Fair Haven, the next major test spotlights the Yale freshman.

Senior sharpshooters, "Eagle eye" Iannone, "Butt" Johnson, "Peepsight" Kempter and "Trigger" Osmun no longer feel that second place in area competition is sufficient. This year the bullseyes are being notched with far more accuracy.

Left to right: J. Lewis, R. Lundgren, L. Hanson, J. Kempter, Mr. Polanski, coach; N. Iannone, B. Johnson, L. Osmun.

SWIMMING

At the beginning of the year there was no swimming team at North Haven, but enough of the boys took interest, and one was finally formed.

Under the guidance of their new coach, Mr. Halperin, the team won a meet from Hamden, a class A school. Many of the boys on the team were young, and the experience gained during the year will be of great importance for the future.

CROSS COUNTRY

Cross country, coached by Mr. Meeneghan, entered its first season this year. Led by Captain Dave Oesterheld, the team opposed such experienced opponents as Lyman Hall and Derby. Although hurt by inexperience, the team's possibilities are promising. With five runners such as Ed Haury and Doug Munck leading the way, future success seems inevitable.

TRACK
The track team, youngest member of the Varsity family, has enjoyed growing success. Led by a host of fine seniors, hopes for success in their last campaign are high. Last year, the first year in Varsity competition, our boys scored three victories and two ties, were handed eight defeats and placed third

By virtue of their won-lost percentage, the Indians qualified for the class B tournament. In the first game they were beaten, but in doing so provided the spectators with some good baseball. The whole team is looking forward to another good season.

"Who's going to get a tan in five minutes?"

"Don't devour it."

"I appoint Denise to look into the matter."

"Your city is full of peanuts!"

Now a statement like that might not sound altogether complimentary, unless you happened to be in the peanut-vending business. But the man who said it, an artist by the name of Charles M. Schulz, wasn't referring to the kind of peanuts you eat. He meant little folks, youngsters.

"Peanuts are the grandest people in the world," he explains. "Your children are peanuts; and so are mine. They're delightful, lovable, funny, irresistable and wonderfully unpredictable. I really hate

to see them grow out of the peanut stage."

Charles M. Schulz should know. He's the creator of "Peanuts," the comic strip being distributed to newspapers throughout the world by United Feature Syndicate Inc. He has won such honors as the 1956 "Cartoonist of the Year" Award of the National Cartoonist Society, the 1958 "Humorist of the Year" Award of the Yale Record, and many others.

Mr. Schulz was born in Minneapolis about thirty-eight years ago and was always interested in drawing pictures. While he was still in grammar school, he decided that he would like to be a cartoonist, and after graduating from high school he took a correspondence school course in art. He served in the Army during World War II and amused himself by drawing comical sketches.

In 1949 Mr. Schulz sent his cartoons to the United Feature Syndicate in New York, who decided that his little characters would indeed make a good comic strip. And thus was "Peanuts" born.
