# CLASS OF 2005

## **Freshman Year:**

In the fall of 2001, we the class of 2005 began our high school journey. For most of us high school was overwhelming but we quickly learned the ropes of the school. As the year progressed we found ourselves more comfortable with our classes and became more active. We held class elections and our officers organized the Pampered Chief fund raiser, and pictures with Santa at the Drama Club's production of *A Christmas Story*. We also sold refreshments at the Wendy's Dance recital.

## **Sophomore Year:**

Our class did many fund raisers and more students became a part of our Advisory Board. We held many small scale fund raisers such as car washes, a raffle at *Frankenstein*, a Cosmic Bowling Night, and write a message to the cast of *Footloose*. We also organized and participated in other fund raisers which included wrapping paper, sweat pants, shorts and sweat shirts. We had a dunking booth and dunked various members of class and staff. Sophomore year we received our class rings and had a pizza party in celebration. During our sophomore year, sadly, we lost one of our fellow classmates, Emma Sundermann.

## **Junior Year:**

We started our second half of high school, now as upperclassmen, with a wrapping paper fund raiser. We had two car washes and sold pies in the spring. Because of the positive feedback with the North Haven sweat pants and sweat shirts from the previous year we sold North Haven Indian nylon drawstring backpacks.

## **Senior Year:**

For our last year at NHHS, we grew together as a class. We did fund raisers but also had a lot of activities. We did a wrapping paper fund-raiser in the fall and sold flower bulbs in the spring. In November, the girls defeated Amity in the NIKH Victory Bowl and in December we held our Senior to Senior Breakfast, which was well received by the community. Thirty eight classmates participated in the senior class play, *Grease*, which was performed in March. As we embarked on our final few months as high school students we had our prom and class picnic in May. Graduation will be a bittersweet day for all of us- leaving behind the memories of high school and familiarity, and beginning the next chapter in our lives.

# OUR THANKS

to Mr. Johnson and Ms. Rosano who have dedicated the past four years to the class of 2005.

Without your devotion and support with various fundraisers and activities our high school years would not have been as fulfilling. For many years to come we will look back on our high school memories and experiences and remember that it was all thanks to you. As we leave NHHS we know that our lives have been enriched by both of you.

# A Life Remembered And Missed.

There is so much to say.....

*Her life was a comet, a shooting star in the night sky. It burned bright for such a very short time. We will not forget her love of all living creatures, or the compassion she showed for the most vulnerable and disadvantaged members of society, compassion far beyond ours.*

*On our graduation day, we will remember that Emma should have been there with us, and that the class of 2005 is not complete, nor ever will be again. Onto sunny campuses, and into unknown adventures in this wide world, we will carry the memory of Emma Sundermann, the beloved friend and classmate who was taken from us much too soon.*

## Emma Sundermann

We can only honor her with deeds of kindness and words of goodwill.

# *In Memoriam*

*On November 9th, we lost a very special teacher who greatly affected all of our lives. Mrs. Mary Ellen Jackson began teaching in North Haven in 1969 at the Middle School. In 1991, Mrs. Jackson moved to the High School where she taught Social Studies.*

*She taught us all so much. Her love and enthusiasm for History made us believe that we were actually there and showed her dedication to the subject that she loved.*

*Not only will we remember what she taught us, but we will also remember her dedication to her students. Mrs. Jackson will be greatly missed.*

*“A teacher affects eternity;  
he can never tell where his  
influence stops.”*

## Forever Young Rod Stewart

May the good Lord be with you down every road you roam,  
And may sunshine and happiness surround you when you're far from home.

May you grow to be proud, dignified, and true,

And do unto others as you'd have done to you.

Be courageous and be brave,  
And in my heart you'll always stay  
Forever Young, Forever Young

May good fortune be with you and may your guiding light be strong,  
Build a stairway to heaven with a prince or a vagabond  
And may you never love in vain,  
And in my heart you will remain  
Forever Young, Forever Young  
When you finally fly away I'll be hoping that I served you well,

For all the wisdom of a lifetime no one can ever tell,  
But whatever road you choose,  
I'm right behind you win or lose.

Forever Young, Forever Young

Love, Mom

Lia,  
Goals are dreams and wishes  
that are not easily reached.  
You have to work hard to  
obtain them,  
never knowing when or where  
you will reach your goal

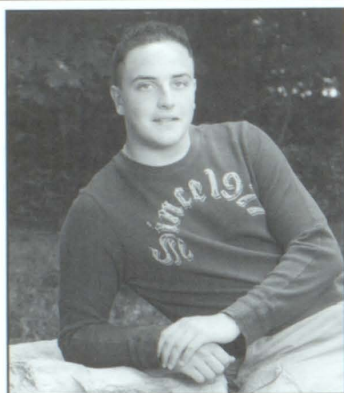

But keep trying!  
Do not give up hope.  
And most of all...  
never stop  
believing in yourself,

For within you  
there is someone  
special...  
someone wonderful  
and successful.  
No matter what you achieve,  
as long as you want it  
and it makes you  
happy  
you are a success

Dear Friends and Fellow Classmates:

When the 2004-2005 school year began we as seniors had the responsibility of organizing the yearbook. We were at first unaware of all the different components that were needed to have a successful yearbook.

Many people were needed to make this yearbook possible. First of all we need to give a very special thanks to Larry Fabianski, who stayed many long nights and over vacations to complete and meet our deadlines, and to Justin Greenlee for the aerial photos of the school as well as for staying late. Without their tremendous help and dedication our yearbook would never be finished.

Thanks to Steve and Storytellers for all the great photos. Steve attended our games, drama productions, dances and practices in order to provide us with the photos we needed for each deadline.

Thanks to Bob Sasena, our Josten's Representative for solving all of our computer and printer problems, and for donating our end pages.

To Jen who helped in every aspect of putting this yearbook together. From taking candid shots, organizing club photos, editing and laying out pages, she was a major help.

To Lauren who was the head of the ad campaign and mailed out all the ad forms to all of our class members. If it wasn't for her, we would have no money for the yearbook.

Thanks to Sue Yang, who typed every single senior profile. She used most of her free time to edit and making sure that every profile was perfect. (And we know how hard it was to read the writing on the profiles form.)

A huge thank you to the parents, faculty members and local businesses who continue to support our yearbook.

Our most sincere gratitude goes to Señora Leach. Without her none of this would ever be possible. Her dedication exceeds all of our expectations. She stayed many long nights and worked many long weekends. She used all of her free time putting together and editing pages and adding pictures to use in the yearbook for everything from our senior candid pages to the sports pages. She has made the 2005 Yearbook one of her top priorities and her hard work is reflected in our yearbook. Thank you again.

Finally, thank you to everyone else who put some effort into the yearbook. Every little bit counted.

Sincerely Your Senior Editors,
