## debating

We of the affirmative declare clearly, firmly, and decidedly that the NHHS Debating Club was a valuable and educational experience that deserves its place on the memorable trail. In debating topics ranging from the importance of four years of history in high school to the merits of the McCarran Act, the NHHS debaters learned to think logically, developed poise and skill in delivery, and acquired the art of reaching concise conclusions.

The combination of enjoyment and education will make the Debating Club long remembered.

Seated, left to right: D. Benton, B. Tedford, E. Reilly, T. Hintz, R. Emerson, S. Lade, E. Sweers, C. Latak, S. Lewis. 2nd Row, left to right: Mr. J. Lynch, Advisor; F. Klaus, L. Canaiy, C. Zilli, D. ## excelsior

"Veni, Vidi, Vici!" Roaming the halls of NHHS with greetings of "Salve" or prancing through the gym clad in togas, members of *Excelsior* have done much to further the study of Latin in NHHS. Guided by Mr. John Lynch and Mrs. Allyn Von Neida, and destined to prove that Latin is not a "dead" language, the Latin Club presented their annual Latin Night and the portrayal of a Roman wedding.

*Excelsior* has carved a permanent place for Latin along the trail of memories.

"To be or not to be a member of the Drama Club, that is the question." Our best actors and actresses responded to this question with a resounding "Yes!" Through the efforts of their expert coach Mrs. Littauer, the club members learned how a few touches of make-up could transform students into dramatic characters.

As its first production, the drama club presented the annual Nativity. In place of the religious adaptation, a humorous aspect was presented. The script was written by club members, and the production proved to be quite successful.

The drama club also aided the Senior Class in presenting *Arsenic and Old Lace*.

This is certainly an organization in which all members can literally get into the act.

During the year, homework, marks, and dates often distracted our minds from the problems of this modern world. But, at least once a month the United Nations Club gave NHHS students a chance to discuss pertinent problems.

Guided by Mr. Robert S. Ford and its dexterous officers, the club sponsored school wide activities such as "UN Day" and junior field trips to the United Nations.

Certainly one of the paths we will blaze from the main trail of memories will lead to the unforgettable United Nations Club.

## audio-visual aids club

The backbone of the audio-visual program of NHHS is the Audio-Visual Aids Club. Far more than being just skilled projectionists, this comparatively small group of students does the scheduling, delivering, changing, and cleaning of the high school's audio-visual equipment. Through their diligence and the resources of the University of Connecticut, and other film sources, the A-V Club has afforded an enjoyable and interesting trip down the memory trail.

Seated, left to right: J. Kennedy, M. McDonald, J. North, B. Martus, J. Troyan. Standing, left to right: L. Johnson, K. Johnson, A. Squires, C. Krieg, Mr. K. Wright, Advisor.

## art club

The credit for colorful hall decorations and seasonal artwork goes to the members of the art club. That beautiful window display at Christmas time has left an impression that will remain continually.

Following the deft strokes of director Mr. Thomas Prete, the Art Club has our thanks for a prismatic trail of memories.

## industrial arts club

Evolving from bent nails and sore thumbs will be the handymen of tomorrow. Through the efforts of Mr. James Dowers, members of the Industrial Arts Club became thoroughly familiar with shop safety and the correct usage of power driven tools. Many thanks to the Industrial Arts Club for lending a much needed hand to set construction all the way down the trail of memories.

Seated, left to right: R. Bradley, R. Newman, H. Massini, H. Chesley. Standing, left to right: W. Griest, T. Bailey, R. Pirovane, S. Burwick.

## library club

"Can you please tell me where I can find the history of Lower Slobovia?" The members of the Library Club were always ready with the answers to our questions. Continually pasting labels, filing cards, and checking books in and out, the club has succeeded in making the NHHS library a smooth functioning organization.

Thanks to the Library Club and Mrs. Bearse for keeping us well supplied with reference materials on our memorable journey.

## varsity club

This year marks the second year of existence for the Varsity Club. Working closely with the Tomahawk Club, a group of interested parents, the lettermen controlled the concessions at athletic events and handled the distribution of jackets to graduating club members.

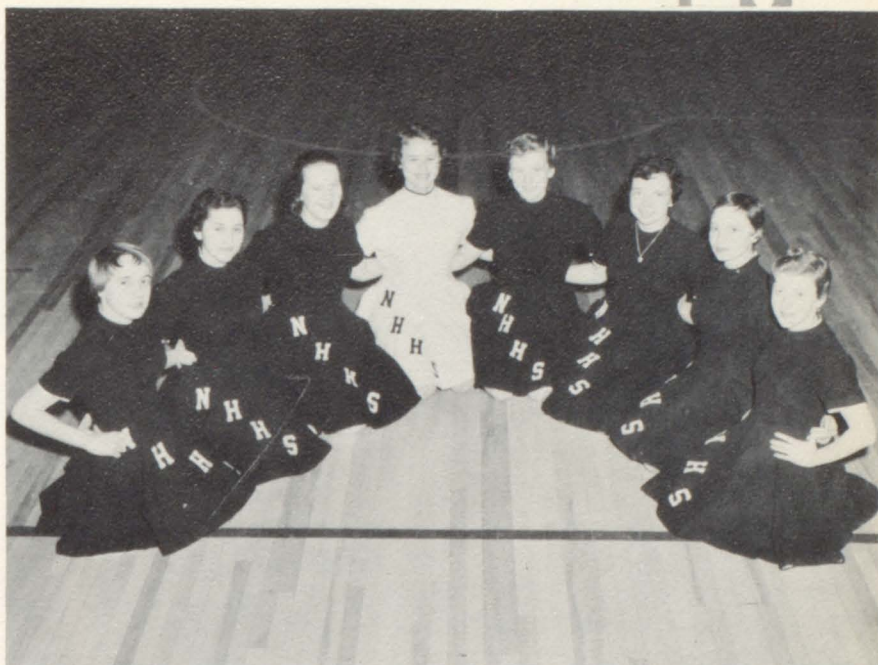

Directed by Mr. Robert Meenaghan, the Varsity Club has left a memory to all athletes who pass along the trail.

## cheerleaders

The constant harmonious roar of *Boom Boom* and *The Chant* from our vigorous, enthusiastic bundles of maroon and white uniforms enlivened the memorable journey down the trail. Led by their capable captain, Stevie Drucker, they cheered our valiant warriors of NHHS with their sparkling antics and invigorating school spirit.

From pep rallies to sock hops, the cheerleaders were always the best examples of the old adage, "never say die." Many thanks for keeping us on our toes along the trail.

Left to right: J. Cowley, E. Mancini, N. Lucas, S. Drucker, Captain; N. Miller, E. Sweers, S. Case, P. Myers.

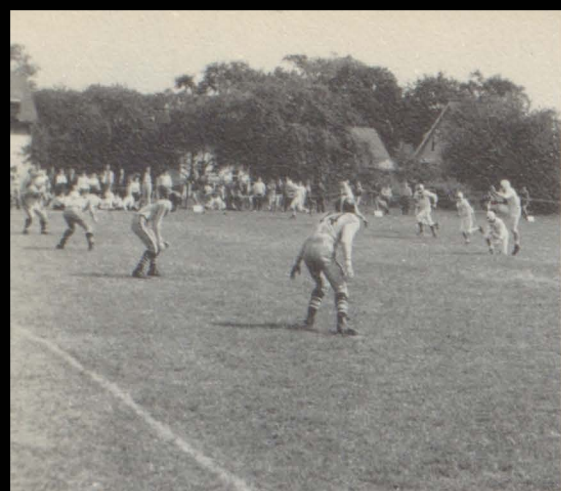

## twirlers

In their smart maroon skirts and handsome white sweaters, the twirlers were a welcome sight at all the football games and band concerts. With flashing batons and synchronized movements, the twirlers etched themselves deeply on our trail of memories.

# football

"Touchdown!" And NHHS embarked on its 1956 football season. Coach Tim Connell's inexperienced eleven dropped their first contest to Derby 6-0, but broke into the win column by downing Amity and St. Mary's on successive Saturdays. However, Branford snapped the Indian's string with a thrilling 19-13 victory. Lack of reserves stymied our team as they dropped five straight games to league opponents.

Although the team's record was unimpressive, Coach Connell was pleased with his boys' progress, and felt that this year served to strengthen next year's eleven. Seniors Tom Pearsall and Bryant Brunye were stand-out performers along with Ed Obrist, Al Hadley, Nick Ferrara, and John Roche. Brunye and Pearsall were rewarded for their play by receiving honorable mention in the All-State football selections.

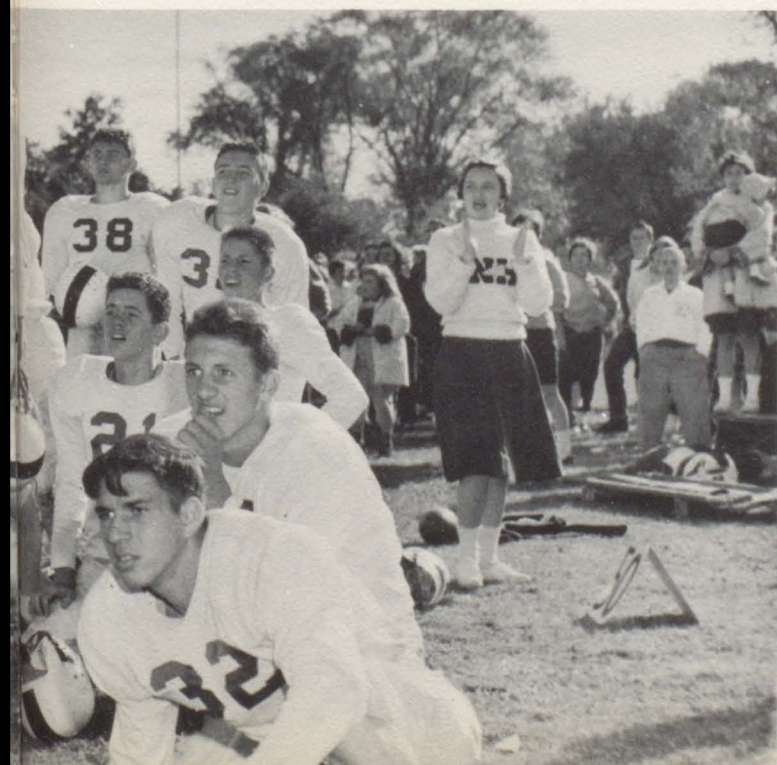

The prospects for the 1957 season are very good since the squad will be manned by several lettermen.

# basketball

"It's a basket!" And there were many as the NHHS basketball team launched its 56-57 season. Although handicapped by a lack of height, the Indians turned in a 7-14 won-lost slate for the season. Coach Bob Meenaghan and Co-captains Bryant Brunye and Severin Palydowycz proved capable leaders throughout the campaign. Senior Tom Pearsall and Bry Brunye led the cagers in scoring, with Pearsall setting a new season scoring record of 246 points.

Juniors John Roche, Paul Bassett, and Al Hadley turned in creditable performances and should strengthen next year's array. The ball handling of Sev Palydowycz and the rebounding of Ed Obrist were instrumental in all Indian victories.

Showing a good deal of fight and never quitting until the final whistle, the basketball team brought honor to NHHS. Win or lose, the team always showed sportsmanship and school spirit.

# baseball

Led by the diamond veterans of the class of 56, Coach Mike Vanacore's nine turned in a 7-9 record for the campaign.

Paced by the batting of Bob Daniel and Roger Bjornberg, the Indians opened the season with a 6-3 win over St. Mary's. Shelton High easily fell prey to the pitching of Billy Marks, who threw a one hitter as the Indians pounded out an 11-1 victory. However, the winning streak was short lived and the team lost eight straight games, six of these games were dropped to Housatonic League opponents.

NHHS broke into the win column once more with a 2-0 victory over Lyman Hall. The Indians went on to defeat Amity 15-1 before losing a 3-1 thriller to Branford. Finally the team hit the stride that we expected of them throughout the season. The North Haven combine swept over Seymour 5-0, Derby 7-3, and Shelton 6-1 to round out the season in fine style.

Although there are many veterans graduating, the returning lettermen should provide enough of a nucleus for a winning team.

## bowling

Bowling is the only interscholastic sport in which NHHS competes with all area schools. During the second year of competition, the kegglers have met with moderate success, but have earned the reputation of being "spoilers" due to their habit of defeating the league leading teams. Captain Bob Magnuson and Ernie Del Monico have consistently led the Indians in scoring.

## golf

"Fore" NHHS made its debut into scholastic golf circles in fine style, defeating Notre Dame and East Haven in their first two matches, and ending the season with a 4-8 won-lost record. This was the first golf team to represent NHHS in that sport. Phil Chamberlain served as coach with Walt Cummings acting as captain. Team members were Bill Traverse, Ed Obrist, Tom Pearsall, Ernie DelMonico, and Dick Rochford.

Left to right: B. Traverse, T. Pearsall, B. Rochford, E. Obrist.

## fencing

"Touché" This year will mark the second anniversary of the NHHS Fencing Team. Although competing in no official matches, the swordsmen, under the direction of Mr. Philip Wilker, have competed among themselves and have become quite expert in the art of fencing. The girls have shown that fencing is not only a man's sport, performing creditably and enthusiastically this year.

Seated, left to right: S. Ward, E. Bockelman, N. Anderson, C. Burke, C. Davies. Standing, left to right: L. Reid, A. Lucibello, R. Fallon, R. Pernal, R. Downey, R. Vandal, G. Townsend, J. Palmer, J. Nichols, R. Judd, P. Wilker, Coach.

## rifle

The rifle club has proved so popular that it has been necessary to divide the club into a senior and a junior high club. From these groups, the rifle team is chosen to compete with area schools. Under the capable direction of Mr. Norman Moulton, the rifle team has met with much success this year.

First Row, left to right: R. Newman, R. Johnson, W. Martus, N. Iannone, T. Ort, J. Connolly, R. Fazzuoli, E. Neri, T. Dobbins, R. Halton. Second Row, left to right: Mr. N. Moulton, Advisor; H. Abilgaard, W. Hall, N. Reiger, F. Vaiuso, R. Simpson, H. Sheldon, J. Lanouette, G. DePaul.

## boys' swimming

This year marks the first year that NHHS has competed in interscholastic swimming. The tankmen of 1957 swam in unofficial matches only, but next year Coach Joseph Cone expects to compete in the district swimming league. Composed mostly of sophomores and juniors, the mermen can look forward to a successful season next year.

Seated, left to right: A. Griest, R. Biral, B. Flanagan, D. Hardy, B. Desmond. Standing, left to right: Mr. J. Cone, Advisor; R. Downey, W. Childs, D. Turner, P. Beaumont, R. Augur, T. Holme, N. Davenport, L. Preston, G. Chichester.

## girls' basketball

The girls' varsity basketball team had an excellent record this year, going undefeated in all five of their games. Captain Nancy Lucas and Judy Terrell have been consistent high scorers. Under the capable coaching of Miss Joan Ramsbottom, the girls have become quite expert in the fundamental skills of basketball. Since the team consists mainly of sophomores and juniors, the prospects for next year look very good.

## acknowledgment

Of necessity an annual publication requires the cooperative effort of a substantial group of people. This year the *Sachem* has been extremely fortunate in having the aid of a number of persons not connected directly with our Board. As these people have contributed valuable time in order to enable us to produce a better year-book, we feel it is only fair that their work be acknowledged and remembered. Space prohibits mention of them all; however, special thanks are extended to the following:

Mr. Jack Brown  
Mrs. Daniel B. Lucas, Jr.  
Mr. Edward Obrist, Sr.  
Mr. Frank Reynolds  
The Jay Storm Studio  
The Faculty of NHHS
