PUBLICATIONS AND PRODUCTIONS

It is not learning, grace or gear,

Nor easy meat and drink,

But a bitter pinch of pain and fear

That makes creation think.

SACHEM

When the SACHEM staff was initially organized early in September, we — the editors especially — really had no idea why we were here, much less what we were going to do. We had learned a little from watching last year's editors struggle, but not enough to produce something resembling a yearbook.

Senior pictures, underclass pictures, write-ups, advertisements, boosters, art work, who's who, layouts, candid — literally hundreds of candid — had to be taken care of and sent to O'Toole's. The editors worked hard enough but always with some deadly apprehension, for the Senior Class is notorious for disliking any and all yearbooks. The day of passing out the Sachems finally came, marked by a rash of absences and the usual howls. Anyway, at least we enjoyed it.

THE TORCH

High above in the newly-renovated Torch room, the thirty-man newspaper staff worked to put out a monthly publication worthy of the ten cents charged for the paper. Although the motto "If it fits, print it" was at times most appropriate, the Torch came through with a better-printed and shinier paper than last year's. No longer is the paper printed by the photo offset process; instead, the letter press process is used. Circulation rose from three hundred to over six hundred.

The printing of the Torch costs over one hundred and sixty dollars. One hundred of this is made up through advertisements, the rest by the sale of the paper.

SHAKESPEARE CLUB

"Get thee to a nunnery, Wooly Bottom". So went the newly organized Shakespeare Club in its desire to promote an interest in the works of the celebrated bard. Scenes from "Midsummer's Night Dream" and other Shakespearean comedies were presented. Mrs. Carol Hosford was the advisor.

DRAMA CLUB

The Drama Club widened its scope this year by increasing the number of productions and, thus, increasing the number of opportunities for a student to act on stage or work behind it.

An adaptation of J.D. Salinger's *Catcher in the Rye* was presented by a workshop group in the fall. On February 1 and 2, *The Crucible* by Arthur Miller took place.

Miss Eleanor Maimaron, Mrs. Marvera Murphy, Mrs. Donna Pitts and Mrs. Karen Stamm served as directors.

CONCERT BAND

The Concert Band, under the direction of Mr. Alex Winsco, received wide acclaim for its performances at the Christmas Concert, the Spring Music Festival and at the Annual Band Concert.

The group also toured the local elementary schools in the fall when they demonstrated the instruments and composition of a band.

ALL-STATE MUSICIANS AND CHORUS

Once again this year, as in the past, students from North Haven High were selected to participate in the All-State Music Festival held on October 24th, at the Bushnell Memorial Hall, Hartford, Connecticut. This year North Haven is especially proud to have eight students — judged on quality and tone — represent our school at All-State: Band, Joan Rousseau and Beth Lincoln; Chorus, Rae Newcomb, Penny Odell, Elena Williams, Charles Engelhardt, Henry Jacobs, and Phyllis Passariello.

ACTIVITIES

The chiefest action for a man
of great spirit
Is never to be out of action.

STUDENT COUNCIL

As the governing body of North Haven High School, the Student Council correlates the school activities, and provides a forum for student expression. In addition, the Student Council presents such events as the many sock hops, the annual Harvest Hop, and an orientation period for new students.

This year under the supervision of Miss Marie Sanzeri and Mr. John Keough, the Student Council sponsored the second foreign exchange student, Miss Suwartini Karmono, of Java, Indonesia.

This summer the Student Council President Susan Endel and Vice-President Bill Rennieke attended the Lakeville Conference on Student Councils. They brought back with them many new ideas, beneficial to the council as well as the entire school. Introduced for the first time this year were a Student Council Newsletter and open Student Council meetings, both created to provide better communication between the council and the student body.

STUDENT COUNCIL OFFICERS: J. Rousseau, secretary; S. Endel, president; W. Rennieke, vice-president; *Sitting*: J. King, treasurer.

TOMAHAWK

The TOMAHAWK, the handbook of N.H.H.S., is compiled by a committee of Student Council representatives during the summer vacation. The handbook contains information on school regulations, the constitution of the Student Council, descriptions of extra-curricular activities, a list of the faculty, plus odds and ends, including a map of the school.

UNITED NATIONS CLUB

The members of the United Nations Club, under the direction of Mr. Frank Miles, study the organization of the U.N. and take part in discussions concerning current world issues.

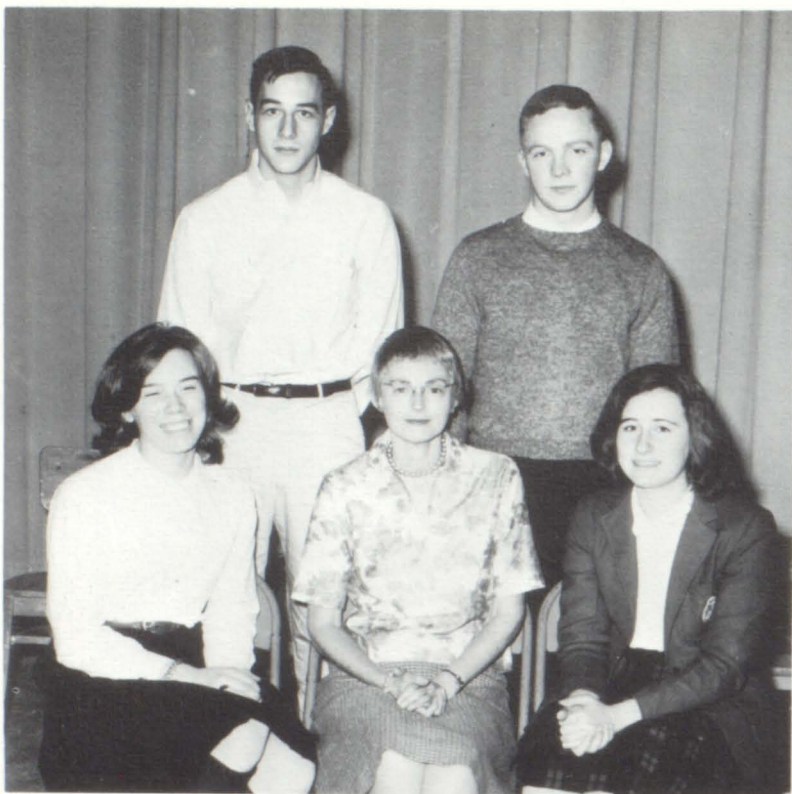

The most important event of the year was North Haven's participation in the East Coast Model U.N. Conference at Wilmington, Delaware. Led by President Banning Repplier and Vice-President Denise Kahn, the members created vital interest and concern for the many world problems through a program of discussions and talks.

STUDENT FORUM

"To study and discuss current social, political and economic problems facing the world today," is the aim of the Student Forum. To achieve this end, the Student Forum periodically is able to obtain guest speakers who delve on their field of interest with the clubs. This year Dr. Albert Burke, economist and authority on the world, spoke on Education in the U.S.S.R. and the United States. Speakers have come from an anti-discrimination organization and a socialist labor party.

LE CERCLE FRANCAIS

The French Club has been expanded considerably this year by the addition of interested first and second year French students to the regular membership of third and fourth year club members. Under the lively and enthusiastic hand of Miss Rebecca Satterlee, students are given the opportunity to become better acquainted with French customs and French culture. The club annually takes several field trips to New York to see plays and to dine in French restaurants. Other activities include French suppers, illustrative talks, and holiday celebrations.

EXCELSIOR

"Esse quam Videri"

Excelsior continued to cultivate knowledge in the culture of the Romans by presenting an original play, "Musical Tragedy" and by holding the annual Saturnalian revel in the spring. In addition, club members gave numerous reports on Roman ways and means at the usual meetings. Miss Sally Casper, a true descendant of Aeneas, and Mrs. Viola Titus were the faculty advisors.

EL CIRCULO ESPANOL

"El Circulo Español" is undoubtedly the biggest club in the school. To say a pro-Franco movement is under way is probably going far, but the fact remains that there are quite a few students interested in Spain, Mexico, and Spanish Culture.

A Christmas party was given and a trip to New York for wine and song was taken by the club.

The topic was: "Resolved that the United States Support a Common Market for the Western Hemisphere." Debates were held with individual area schools and in tournaments at Southern Connecticut State College, Cheshire Academy, and University of Connecticut.

SCIENCE CLUB

The steadily growing Science Club, advised by biology instructor, Mr. Dominic Mascagna, promotes student interest in different branches of science and allows interested students to probe more deeply into their desired fields. The Science Club is responsible for a greater part of the annual science fairs at North Haven, and the production of the Science Newsletter.

CAMPUS STORE

The girls with the perpetual smiles in the Campus Store are not cheshire cats. They are only smiling to please the harried customer — and the customer is always late — who must have notebook paper or a bus ticket or a 29 cent pen or a million and one other things.

The store is open before and after school and often during the day.

The players hope to achieve recognition as a major sport within a few years when the proposed chess league materializes.

The purpose of the Radio Club is to instruct members in the principles and practical applications of electronics. Information acquired in the club may result in the obtaining of an amateur radio operator's license. Mr. Chase is the chief ham.

AUDIO-VISUAL CLUB

The A.V. Club is perhaps best known for its gallant rescues of teachers with broken projectors. Advised by Mr. Wright, the club also splices, delivers, and watches films, and serves as the projectionists at movies presented at the school auditorium.

The Library Club, besides fulfilling the normal activities of library assistants, attended numerous meetings and discussion groups throughout the year. The club participated in workshops at Southern Connecticut State College in March, and at the fall meeting of the Nutmeg 020 group for library assistants. (020 is the Dewey Decimal number for library.) The meeting, held at Amity Regional High School, offered talks on reading and the mechanics of running a library.

VARSITY CLUB

The Varsity Club, one of the oldest organizations at North Haven, this year sponsored the annual "Varsity Drag," the Alumni Basketball Game. Other activities of the club included the selling of programs at all home football and basketball games, and the usual "Day of Initiation" for new Varsity Club members. All the funds obtained by the boys have been donated for the purchasing of new sports equipment for the school.

SKI CLUB

The Ski Club was organized two years ago to give those students interested in skiing the opportunity to acquire skills and experience. Its rapid growth shows the enthusiasm felt by the students towards broken legs, linament bottles, trees, and faces of wet snow.

The club went on an all-day trip to the Mohawk Ski Area in January. Movies and lectures supplemented the actual skiing.

PEP CLUB

The size of the Pep Club — about sixty million screaming girls — demonstrates the club's purpose: to boost the cheering power of the cheerleaders at football and basketball games.

SPORTS

The real ones, the right ones, the
straight ones and the true,
The pukka, peerless sportsmen — their
numbers are but few;
The men who keep on playing though
the sun be in eclipse,
The men who go on losing with a laugh
upon their lips.

D. C. ALLEN

"Renowned throughout Connecticut as an outstanding educator, D. C. Allen was also an ardent sports enthusiast. It is appropriate that our athletic field bears the name of North Haven High School's most faithful fan."

Dr. St. Clair

Throughout the town and state, educators, students, and all who knew him regret the loss of D. C. Allen.

The SACHEM honors here Mr. Allen for his interest in youth and in the athletic training of youth.

FOOTBALL

North Haven completed its best season in the history of the school with a mark of 6-2. Although handicapped by several key injuries, the Indians combined the running of Ken Hasnosi, Earl Martine and Rich Giannotti to earn a piece of the league championship with East Haven and Branford. North Haven swamped East Haven in the only encounter with their bitter rival.

Individual honors went to five players: Martine and Hasnosi were picked Register player of the week; Hasnosi also received the Savitt Sportsmanship award and a berth on the All-Housatonic League team; Bruce Anton and Rod Player also made the all-league team.

DellaVecchia wins the toss.

Hasnosi starts to sweep wide.

BASKETBALL

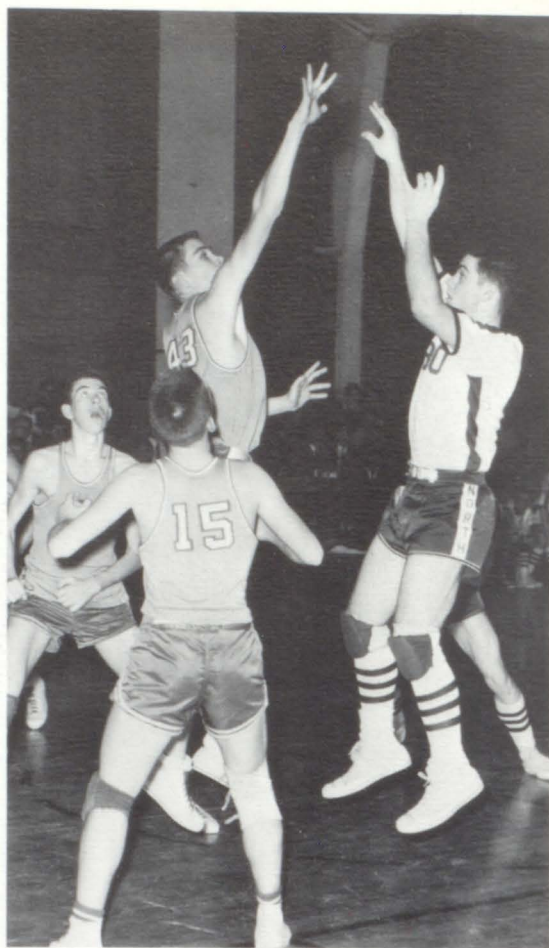

With four out of five lettermen returning from last year's squad, the Indians stormed to one of its best seasons in recent years. Led by high scoring captain Bill Engster, the team registered crucial wins over Lyman Hall, West Haven and Branford. North Haven qualified for the Class "A" tournament, taking the required fifty-one percent of their class "A" games.

Starting for Coach Tim Connell were John Copeland at center; Engster and Rich DiMeola in the corners; Lou Bradanini and Rich Coyle at the guard positions. Coyle is a junior. Mike Landino, a sophomore, and two juniors, Rich Neumann and Hal Jackson, saw a lot of action.

Two scoring records were set, both by Engster. Against West Haven, Engster tallied 43 points, two games after he scored his 1000th point.

TRACK

Heavily relying on the field events to rack up the points in all their meets, the track team finished first in the Housatonic league race with a league mark of 4-0. The Indians won a total of eight meets losing six, while ten school records were broken. Four members went to the State Class "A" sectionals at Bowen Field, where they took places in each of their events. Gary DuPaul entered and placed in both the State Class "A" finals and the New England Finals in Maine.

GIRLS' BASKETBALL

The spectators at the girls' basketball games may have thought the game was being played partly by boys' rules and partly by girls' rules. New terms as "roving player" and "back court" have crept into the game to create more confusion, but ultimately a more interesting and challenging game. The increased amount of action has forced the junior varsity to be incorporated into the varsity.

BASEBALL TEAM. First row, left to right: M. Chapman, E. Martine, R. Player, P. Titus — co-captain, S. Baldyga — co-captain, L. Bradinini, R. Giannotti. Second row: R. DeMayo — coach, B. Barry, R. BASEBALL

The 1962 season got off to a good start towards a winning season by winning the first game played on the new baseball diamond at the D. C. Allen Field. The team won 8 out of 10 Class A games, in addition to being runners-up in the Housatonic League Championship. Much of the team's success was due to the hitting power of Paul Titus, Richie Giannotti, and Earl Martine and the fine pitching of Henry Totz and Stan Baldyga. Three of the members of the team were selected for All-Housatonic honors: Henry Totz, and co-captains Paul Titus and Stan Baldyga.

J.V. BASEBALL TEAM. First row, left to right: A. Kelly, S. Robinson, W. Olmstead, J. Korzick. Second row: R. Traskos, D. Melillo, I. Rouse, R. Hart. Absent: J. Amato.

CHEERLEADERS

Whether yelling or crying or stamping thier feet for victory, our eleven vivacious cheerleaders are the centers of enthusiasm and excitement at all the football and basketball games. Possessing remarkable stamina, the cheerleaders pour out such an endless variety of splits and flips that the team often goes unwatched. The color and action of these girls play an important part in creating school interest and spirit without which the school and the players would surely suffer.

The squad is captained by Ed Haury and Alan Davis, two of the team's four seniors. Mr. Keough is in his first year as coach.
